

Date Elementary's New Arrival and Dismissal Procedure

Begins: Monday, March 28, 2022 after Spring Break

Hello Date Family,

A new procedure for student drop-off and pick-up will begin 3/28/22. We will be opening our parking lot gates for car entry. We ask that you abide by our procedures and all traffic regulations. More importantly, consider student safety. Together we can expedite our arrival and dismissal while keeping everyone safe. Thank you for your attention to this update.

- Our south gate on Oleander Ave is for entry into 1 lane on the right (closer to the curve for loading and unloading students).
- Use this right lane to pick up students.
- The students will be in the following order: Kinder, 5th grade, 4th grade, 3rd grade, 2nd grade, and 1st grade. Designated areas for each grade will be clearly labeled.
- Even if not picking up student in a certain grade, you must remain behind the car in front of you until you get to your desired grade.
- You must continue in the right lane until you are ready to leave and have all your students. You cannot park in this lane. Once ready, carefully move to the left lane and exit from our north Oleander Ave gate.
- If you leave the right lane, you cannot return; you must exit the school.
- You cannot park in either lane. The lane on the right must keep moving once children are safely in the car. Continue down this lane if you are picking up students from other grade levels.
- Remember, the left lane is for exiting our school. You cannot pick up students in this lane nor can you park in this lane.
- Always watch for pedestrians. If you are walking, follow procedures and remain on sidewalk areas.
- Pedestrians must use crosswalks while crossing in our parking lot and in the street.
- The two lanes become one lane at the end when getting ready to exit. You can only exit to the right per traffic regulations.
- If you choose to park your vehicle, enter on the left lane and park carefully. There is no backing into parking spaces.
- If you choose to park on Oleander Ave, please follow the law. Do not block our neighbors, and do not park in their driveways.
