Scan behavior barcodes on website

Chance Hroch

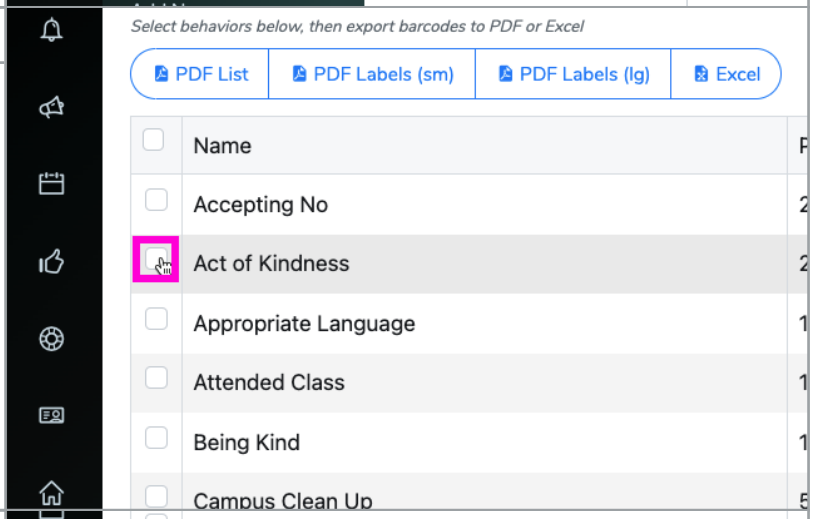

1

The first step is to open Click Barcodes from the Behavior menu.

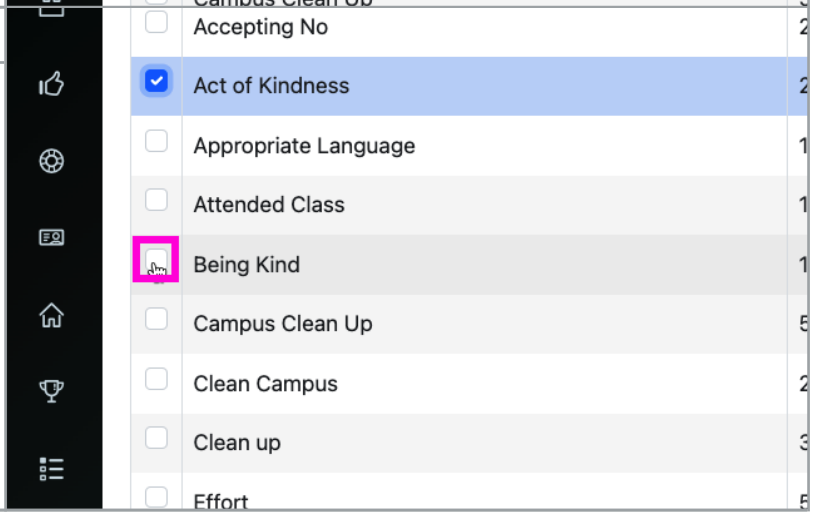

2

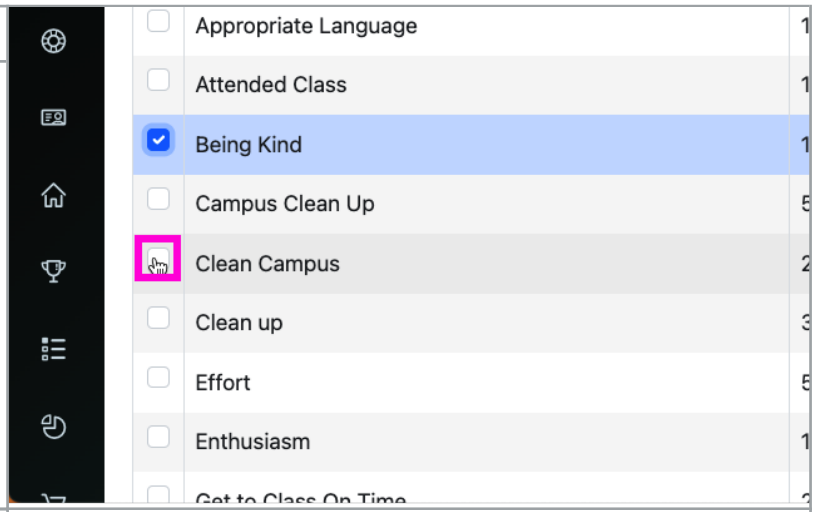

Select the behaviors you will be recognizing students for.

3

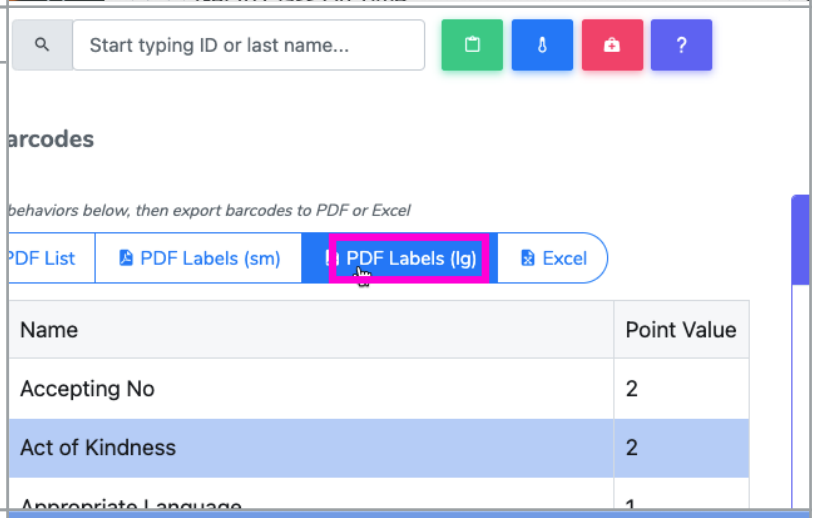

4

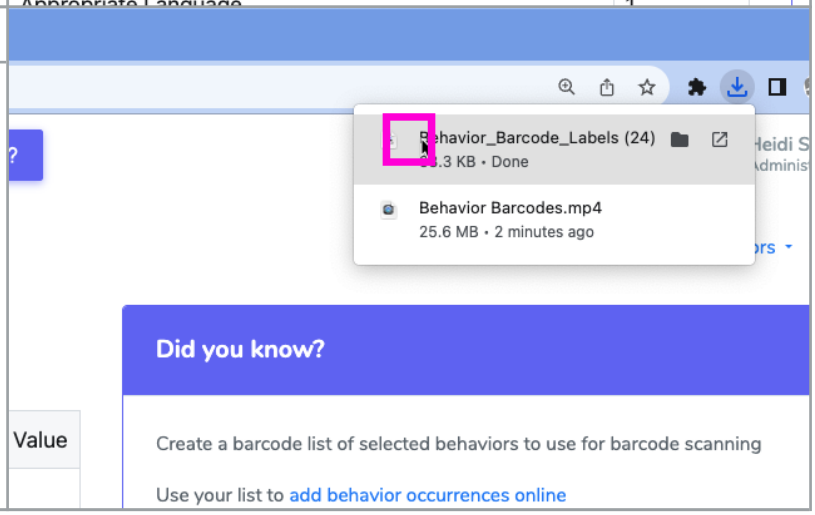

5

Click PDF Labels (lg) (10 to a page). Small fits 30 to a page.

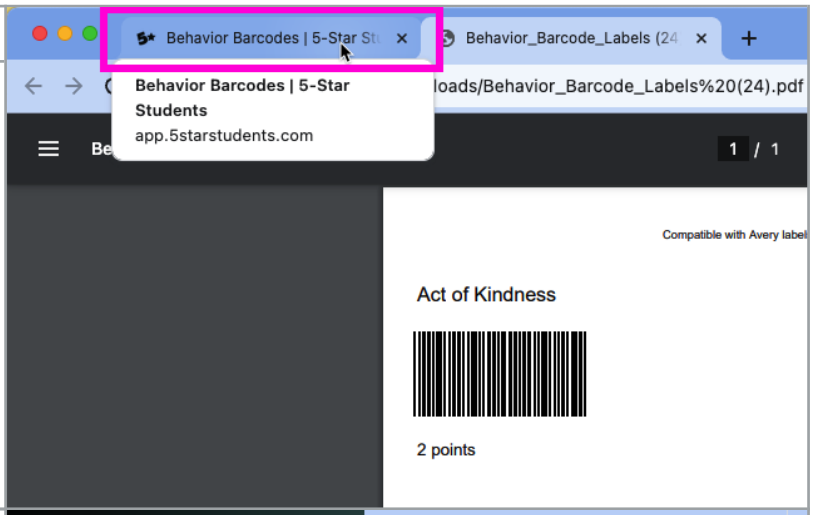

6

Open and print the barcode PDF file

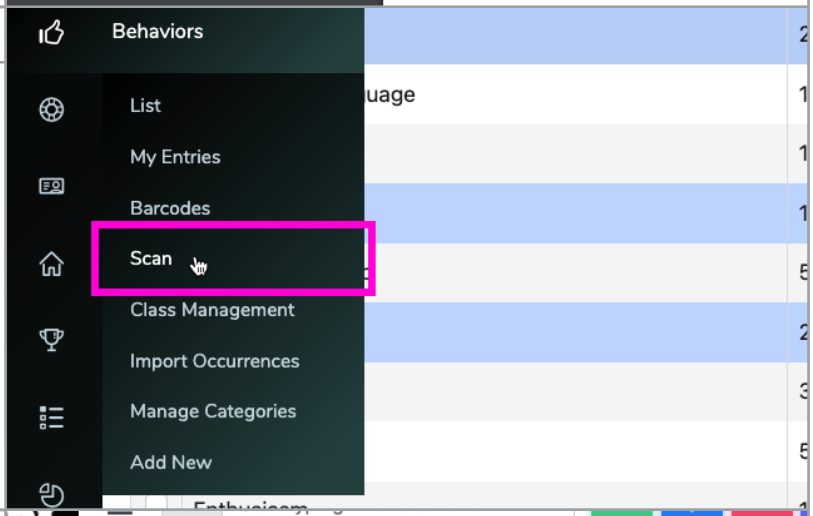

7

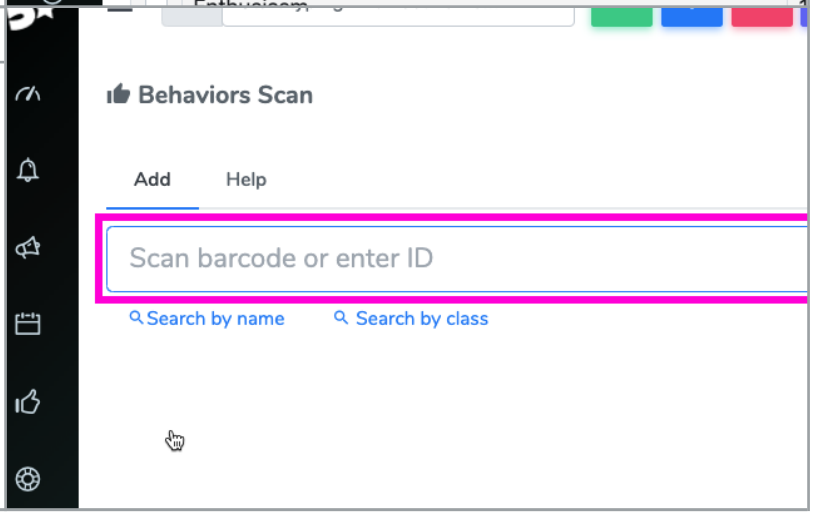

8

From the behavior menu, click Scan

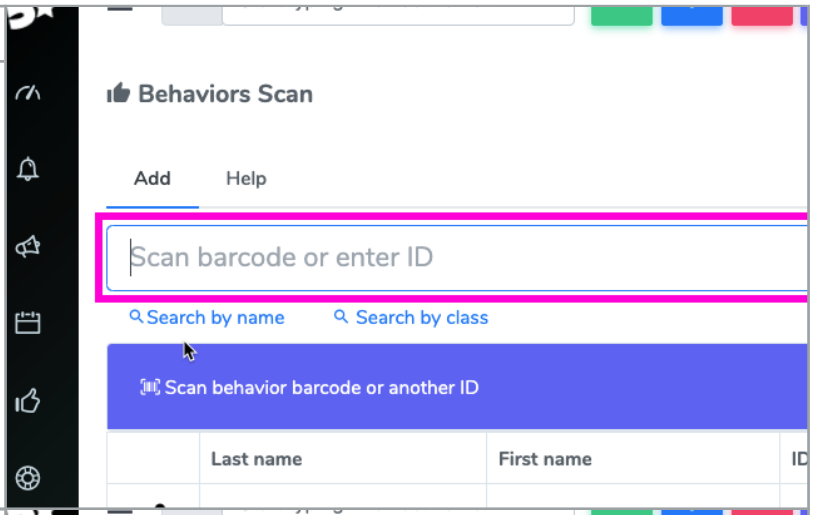

9

Scan the student's ID first

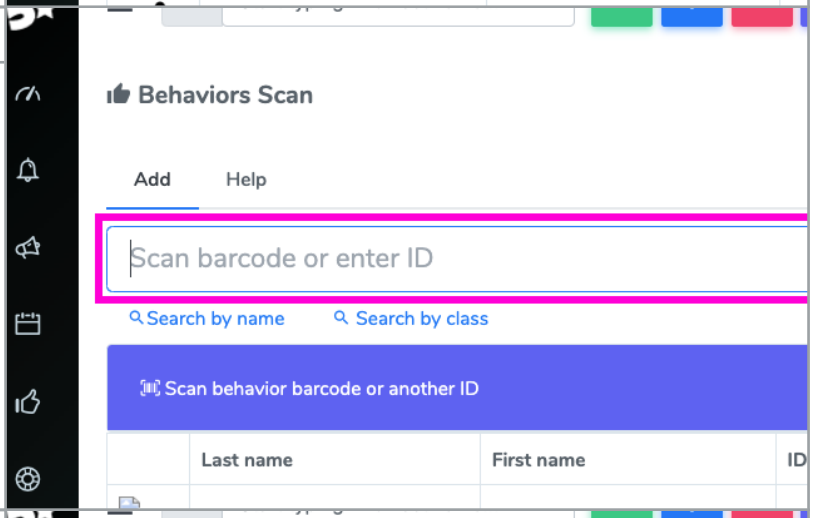

10

Scan the behavior barcode to give them the point(s)

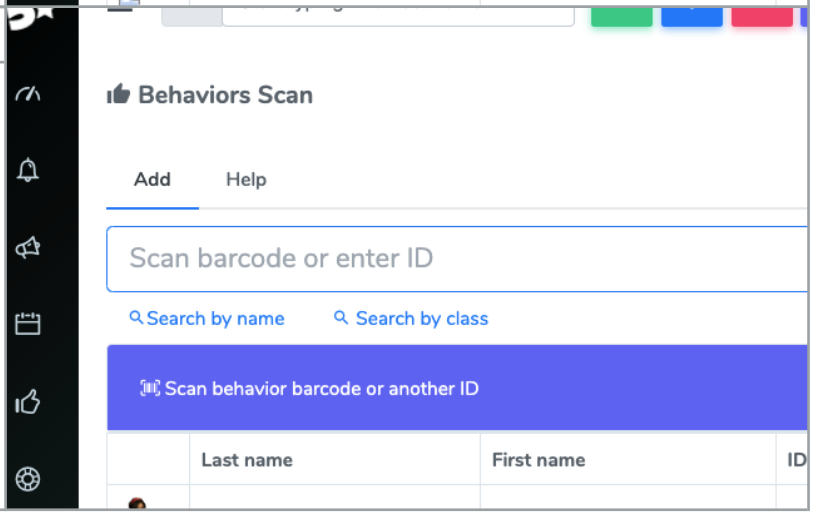

11

To change students, scan the next student's ID

12

That's it. You're done.
