Familiar Face in a New Role

Renee Lanigan returned to Toliver after one year as principal of Camp Dick Robinson Elementary in Garrard County. She was a DISD teacher for 18 years prior. Her positivity, dedication, and strength in instruction and intervention are driving forces for taking Toliver to the next level!

Setting the Tone Every Day

After hearing Horacio Sanchez during Danville Ignites Success, Toliver staff made plans to incorporate ideas from his book *The Poverty Problem*. For example, every day during morning assembly, students recite our school values: "I am safe. I am loved. I am successful." Our goal as a school community is to make those words a reality.

"Better Together"

In the spirit of collective efficacy PK-5, staff from Hogsett and Toliver came together to review KSA data in October. Toliver adopted Hogsett's tagline "better together" to solidify our team approach to supporting our students.

SEL & Behavior

- ★ Bloomsights -SEL screening & intervening tool
- ★ SEL Curriculum - Collaborative Classroom's "Caring School Community" curriculum daily in homerooms.
- ★ Procedures - Developed disciplinary flowchart, established intervention system, and tightened existing procedures
- ★ Attendance - Team meetings, recognitions, and partnership with Community Schools teams.

Student Ownership of Learning

- ★ Data Notebooks - Content Mastery, iReady, KSA, SEL
- ★ Deeper Learning - Portrait of a Learner & Thinking Maps
- ★ Student Leadership Teams

Instruction & Academics

- ★ KSA - We exited TSI for African American students and have a solid foundation with no major academic declines. We are poised to do great things!

- ★ New Universal Screening and Personalized Instruction: i-Ready diagnostics are given 3X yearly, and individualized iReady pathways are available in reading and math. We are now streamlined with Bate.
- ★ New Master Schedule to include dedicated time for Reading, Math, Science, Social Studies, Writing, SEL, and intervention for all grade levels
- ★ PLCs - Teachers meet weekly with the principal and assistant principal to strengthen curriculum, assessment, and instructional practice
- ★ Team Leads - added an extra duty stipend creating grade-level team leads
- ★ New HQIR - Partnered with KDE and ANet to select and implement Science HQIR for all grades
- ★ Teacher Leadership Teams Deeper Learning & Instructional Leadership, School Systems, School-Wide Culture & Climate, Student & Community Engagement meets monthly to evaluate, plan, and improve systems at Toliver.
