

TERRENCE PARSONS

A proud graduate from Harrisburg High School "William Penn Campus" Class of 1992. In 2004 I decided to come back to my alma mater as a Security Guard I now have 20 years of Service with Harrisburg School District. I learned early on my passion for the at-risk youth this is why I began mentoring youth in the community.

My career With Harrisburg School District opened the doors to my first coaching opportunity with the Lady Cougars Basketball team ; I started as a volunteer and realized I had a true love for coaching our youth . In 2007 I was given the opportunity to join the Harrisburg Lady Cougars Volleyball team. In 2012 I became the Head Varsity Coach, 16 years later I am still here. I have been evolving principles and values for the ladies that it's not about the WIN NOW but the WIN LATER in life. Being able to mentor, guide and help these young ladies achieve their full potential on and off the court is true honor and an even bigger blessing.

HEAD VARSITY VOLLEYBALL COACH
