

MARCELISSA MARCY SNYDER-VELEZ

Coaching at Harrisburg High School and in various Harrisburg City youth programs since 1996 has afforded me the opportunity to help young ladies develop leadership, discipline, and sportsmanship skills, which are vital skills in so many areas of life. Watching so many young ladies blossom as athletes and individuals has been a privilege that I don't take lightly.

To my student-athletes, softball (25 seasons) and tennis (starting my 10th season), thank you for allowing me to be part of your lives.

Coach Velez

Varsity Tennis Coach
