

CHARLESTON COUNTY SCHOOL OF THE ARTS

Profile 2024-2025

Charleston County School of the Arts offers students rich and intensive instruction in nine art majors in a unique sixth through twelfth grade setting. Students spend one-fourth of their day with dynamic teachers in their art area. Art majors include instrumental band, creative writing, dance, piano, fashion, string orchestra, theater, visual art, and vocal music.

School of the Arts' students excel at the local, state, and national level, earning awards, scholarships, and the respect of audience members, peers, and patrons of the arts.

Students also participate in an appropriately challenging academic curriculum that includes college preparatory, honors, and Advanced Placement courses. Clubs, community service, and unique school events tailored to meet the interests of young artists provide additional opportunities for expression and involvement. We want our students to maximize their potential and then discover how their art can impact the world around them. At SOA, we believe art makes a difference!

Program of Study and Entrance Requirements

The school blends intensive artistic instruction with a strong academic program. Together, academics and artistic preparation mold students into young people who have dedication, discipline, and perseverance. Through their arts majors, the students have opportunities to broaden and enhance their educational experiences far beyond what is possible for most regular students. These young people have gained poise and self-confidence by performing before audiences and have become strong, independent and self-assured.

Students may apply for the School of the Arts and audition in a maximum of two of the nine arts areas: instrumental band, creative writing, dance, piano, fashion (high school only), string orchestra, theater, visual art, and vocal music. Students must also have a sound academic record. Once at School of the Arts, students must maintain satisfactory academic and artistic progress or they will return to their home schools.

School of the Arts implemented the SOA Credential in 2007, which is a supplementary credential opportunity. This specialized credential recognizes the accomplishments of School of the Arts students who exceed the standard South Carolina High School Diploma requirements. The SOA Credential is endorsed by the local school board and by the South Carolina Arts Commission. Students must accomplish the following requirements in order to achieve rights to this special credential: successful completion of Senior Thesis, 3.0 overall weighted GPA, 20 hours of annual community service, and successful completion of the Art Appreciation, Music Appreciation, Art History, AP Music Theory, or AP Art History course. Students also have an opportunity to earn the SOA Credential with Distinction by having 40 hours of annual community service and leading a service project.

2024-2025

School of the Arts is accredited by the Southern Association of Colleges and Schools and is approved by the South Carolina Department of Education.

South Carolina Uniform Grading Scale

South Carolina transitioned to a 10-point Grade Scale in 2016-2017. Prior year courses were evaluated on a 7-point scale. See below.

<u>2015-2016</u>	<u>2016-2017 and later</u>	<u>Letter Grade</u>
93-100	90-100	A
85-92	80-89	B
77-84	70-79	C
70-76	60-69	D
0-69	0-59	F

All courses taken are computed in determination of the grade average and rank according to the South Carolina Uniform Grading Scale.

Adding all grades for courses successfully passed, failed and retaken compute rank. In computation, Honors courses have the grades enhanced by a .5 weighting factor, and Advanced Placement and Dual Credit courses have the grades enhanced by a 1.0 weighting factor.

The rank is computed at the end of six semesters to provide information for college applications. Rank is calculated again at the end of seven semesters to determine honor graduates.

Honors Academic Courses

Algebra 1
Algebra 2
Anatomy & Physiology
Art Appreciation
Biology 1
Calculus
Chemistry
Current Events & Foreign Policy
Economics & Personal Finance
