The screenshot shows a website interface for a school menu. At the top, there is a 'School Home' header with a home icon. Below it, the main heading is 'Lunch'. There are three tabs: 'All Menus', 'Breakfast', and 'Lunch' (which is selected). To the right of the tabs are icons for a menu, calculator, notification, and print. Below the tabs, there is a 'Weekly' dropdown menu and a date selector for 'DEC 1 - 7'. The main content is a grid of menu items for the week of December 1st to 6th. The grid has columns for each day and rows for different categories like Soups, Sides, Entrees, Grill, Daily Special, and Sides. Each item has a plus sign icon. To the right of the grid, there is a detailed view of a 'Vegetable Soup' item, including a photo of the soup, a description, allergen icons (Milk, Wheat, Soy), and nutritional information.
