“Crystal Murphy Music is a ukulele-based business that was created from a love of music, teaching others, and being silly. All services offered foster creativity, teamwork, networking, and social development for all ages. We focus on movement, age-appropriate education (e.g. counting, rhythm, social skills, etc.), imagination, and community building through songs you know and even some original songs by Crystal Murphy.”

Join Us for

Singing, Moving, Dancing, and Being Silly!
