## **JTHS Foundation Buy-a-Brick Information:**

The Joliet Township Foundation has embarked on a mission to increase student scholarships and staff grants, by selling bricks at the entrances of the new field houses at the Central and West campuses. This program offers you an opportunity to become involved in this worthy cause through the purchase of a brick, recognizing someone or something important in your life for a nominal cost of \$150.

Engraving Details: When you sponsor a brick, your payment does not entitle you to receive any bricks, but rather it is a charitable contribution to the Joliet Township Foundation. For each contribution, an engraved brick will be placed on the walk near the entrances of the new field house additions. As any benefits given in return for the contribution are considered “incidental,” the full amount of your contribution is deductible for federal tax purposes. The Joliet Township Foundation reserves the right to deny any brick purchase application which it determines to be inappropriate by virtue of the stated or implied message. Purchasers shall have no control over the location, design, material, appearance, construction, manufacture, installation, maintenance, or repair of the brick. The Joliet Township Foundation reserves the right to edit text and determine the location of the bricks. A minimum of 10 bricks must be sold before installation begins. For multiple brick orders, please make copies of the form or print/type on an additional piece of paper. You can make your brick stand out by engraving one middle brick and purchasing four blank bricks.

### Brick Inscription Guidelines:

Inscriptions may contain up to 15 characters per line (2), including spaces and punctuation. Use only capital letters and numerals (0-9). Inscriptions will communicate non-commercial messages only. Company names may be used, but company phone numbers, slogans, sales pitches and logos will not be permitted. Discriminatory or inappropriate messages which refer to an individual's or groups' sex, race, color, religious creed, national origin, age or physical handicap will not be permitted. Bricks ordered together will be placed together to the extent possible. Brick orders submitted separately will not be placed together. Glen-Gery reserves the right to choose the type of flashed red brick, type size and arrange words to maintain balance and improve legibility. Use of symbols will be limited to ampersand (&), apostrophe (’), comma (,), dash or hyphen (-), exclamation point (!), forward slash (/), numeric (#), plus (+), quotes (“”).

We look forward to placing your brick at Central or West in support of our student scholarships and staff grants. If you have questions, please contact John Randich at 815-530-7699 or [johnrandich1@gmail.com](mailto:johnrandich1@gmail.com).
