ROAR

ALETHEIA CHRISTIAN ACADEMY NEWSLETTER

A WORD FROM OUR ADMINISTRATOR...

As we close in on our goal for Feed the Need, I am filled with gratitude for all of our families that have participated thus far. In less than two weeks, Aletheia Christian has raised nearly $50,000! My hope and prayer is that we will continue to push towards our goal of $75,000. We are excited to have the opportunity to pack 10,000 meals for the largest refugee camp in the world as well as support victims of the most recent hurricanes. Thank you to those who have registered and are raising funds. For those who have not yet registered or who have not gotten their first donations, please be intentional about doing so for the benefit of your child and our school. Every little bit helps. Remind your student that we will have plain clothes for three weeks in December if we reach our ultimate goal!

We are grateful that our high school building is complete and that students and teachers have been enjoying it after returning from fall break. Funds raised through Feed the Need will go to support our current building project, future building projects, and campus improvements. We are planning on having a dedication to our new high school building in the near future. Please stay tuned for more details.

Please know that we are incredibly grateful for choosing us. We strive to honor Christ and pursue excellence in all that we do.

BE BLESSED! BE DIFFERENT! GO, LIONS!

MR. CLINT READS TO KINDERGARTENERS

Students in Mrs. Hansen's Kindergarten class have been treated to storytime with Mr. Clint for many years, and this year's students are no exception! He has been reading to them after lunch every week and even brings some fun themed candy to share with them.

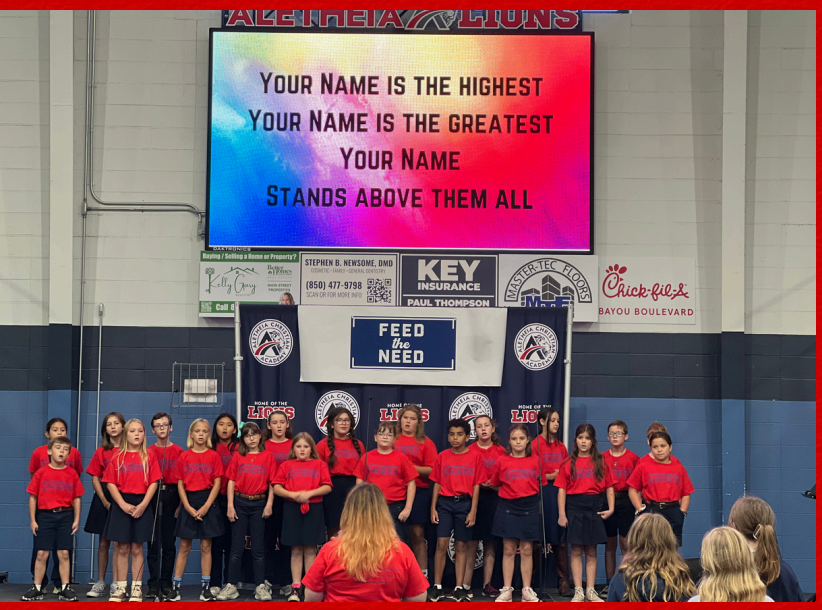

JOHNNY APPLESEED DAY

First graders in Mrs. Beck's class celebrated Johnny Appleseed Day with some games, science experiments, crafts, and more! Thank you to all the parents who helped make this day extra special for our students.

AFTERCARE FUN

Students who stay after school with Ms. Nina in aftercare get to have all the fun! She makes sure students participate in creative activities regularly, including painting pumpkins.

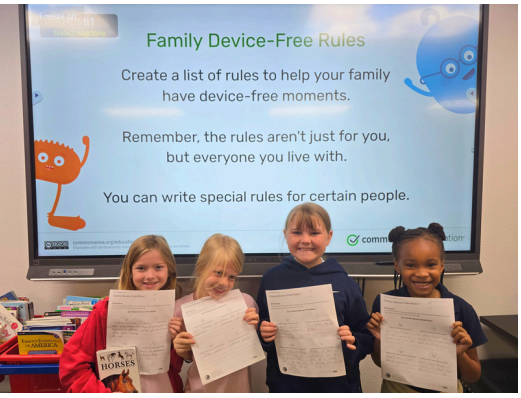

LOWER SCHOOL CHORUS

Last month, the 4th-6th Grade Chorus had the privilege to lead worship in Chapel. One of the main goals of Chorus is to teach students the importance of worship and how to use their gifts to glorify the Lord. We are so proud of these students for using their talents to honor Him.

RENAISSANCE CHALLENGE

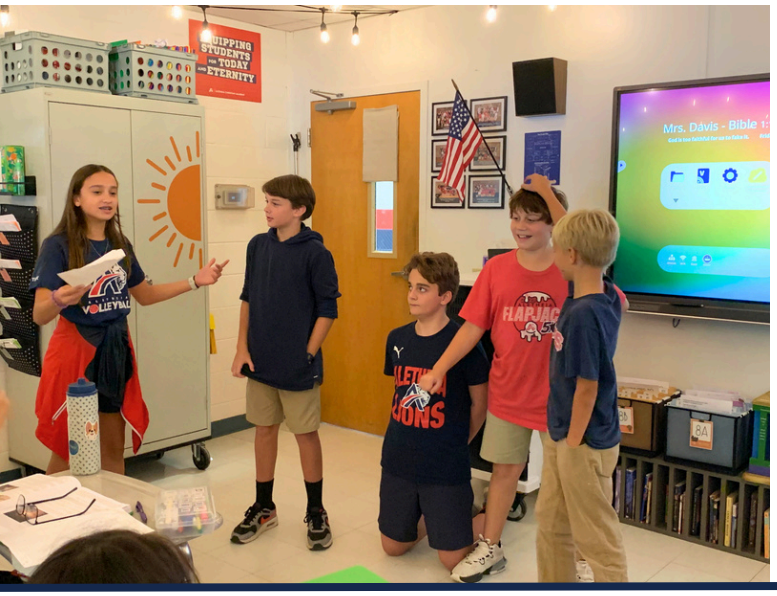

Mrs. Webb's seventh graders wrapped up their unit on the Renaissance by trying to lie on their backs and draw for ten minutes. Michelangelo laid on scaffolding and painted the ceiling of the Sistine Chapel, which took him four years. Our mini Michelangelos got tired after 10 minutes!

DIGITAL CITIZENSHIP WEEK

All students need digital citizenship skills to participate fully in their communities and make smart choices online and in life. During October, in Library/Computer, students talked about how electronic devices can be used to make our lives better, the importance of limiting screen time, being safe online, and what the Bible says about technology.

SEVENTH GRADE BIBLE SKITS

Students in Mrs. Davis' seventh grade Bible class studied Islam last month and learned about some abrogations (contradictions) found in the Quran. Groups acted out what the Quran says in both places so they could see the differences. We are so thankful for the consistency of the Bible!

FIRST CENTURY SLEUTHS

Ninth grade Bible students in Mrs. Thompson's class became first century sleuths for a class. They were tasked with trying to decode secret messages regarding the resurrection of Jesus in this activity.

ARK ENCOUNTER

Mrs. Thompson, Mrs. Davis, and Mr. Tripp were blessed to have the opportunity to attend the Biblical Worldview Conference, hosted by BJU Press, on October 14-17. The conference took place at the Creation Museum in Kentucky, so they were able to tour both the Creation Museum and the Ark Encounter. The teachers thought that both of these experiences were amazing and would highly recommend them to you!

Each of the speakers at the conference was wonderful as they reiterated the importance of Christian schools in providing students with an education that is built on the foundation of the Bible. Our teachers also enjoyed meeting and sharing with other Christian school educators and administrators from around the country.

LEGACY GROUPS

Upper school students had their first Legacy Group meeting in October. Legacy groups are small-sized discipleship groups that connect middle and high school students with teachers and staff in an effort to build relationships, mentor students, and encourage spiritual growth within our student body.
On November 20th, these groups will complete a service project together.

SENIOR BUDDIES

One of our most beloved traditions brings together our seniors and kindergartners for a year-long journey of friendship and fun.
Last month, these seniors and their kindergarten buddies spent some time playing games together outside. They had a ball!

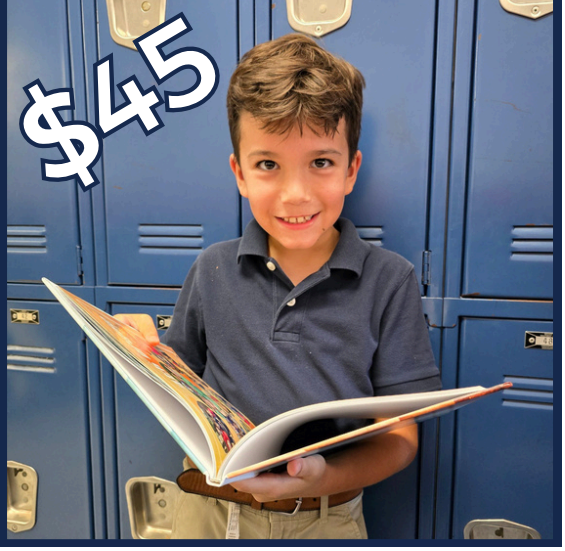

MATH FOR DATA

In Math for Data class with Mr. Chace, students are currently studying stocks, bonds, and mutual funds. God calls us to be good stewards of our finances, and these seniors will be well-equipped to make wise choices in their future financial planning.

BAKE SALE

Mrs. Everett's Legacy Group will be hosting a "Bake Sale for Phoebe" during lunch on Friday, November 21st. Bring cash and support 8th grader Phoebe Meade as she continues treatment.

2024-2025 YEARBOOKS

Services
Vacation Rentals
Gift Baskets
Jewelry
& more

NEW BUILDING BLESSING

After Fall Break, our high school students and teachers returned to a brand new building! Both were so excited to be back on the main campus and to have such beautiful new classrooms to learn and instruct in.

We are beyond grateful for the Lord's provision in this huge event in Aletheia history. To Him be the glory!

FEED THE NEED KICKOFF NIGHT

Our Feed the Need Kickoff was a great success! Families came out to hear all about this amazing fundraiser, enjoyed Chick-Fil-A, and won some great raffle prizes.

This fundraiser is still in full swing, so keep texting and asking for donations so we can reach our school goal of $75,000! Our Packing Party, in which we will pack 10,000 meals as a school, will be on November 15th, and we cannot wait!

SPORTS NEWS

FALL SPORTS BANQUET

Last month, we honored our fall athletes who participated in Varsity Soccer, JV and Varsity Volleyball, Cross Country, and Golf. It was a wonderful night celebrating these talented students. Thank you to the parent volunteers who helped make this night happen!

CONGRATS TO OUR VARSITY SOCCER TEAM FOR PLACING 1ST IN REGIONALS AND 2ND IN THE PCC CHAMPIONSHIP!!!
