

TVS DANCE

2024-2025 PROGRAM GUIDE

“Why TVS Dance?”

Families,

Thank you so much for considering TVS Dance programming as part of your child's experience here at Trinity Valley School. We offer robust programming in four major dance styles (ballet, lyrical, jazz, and hip hop) to students in Grades PreK-12. Broadly, our structure is as follows:

- **PreK Dance, Kinder Dance** = introductory programs
- **Levels 1-2** = skill-building programs for Grades 1-4 in ballet / lyrical, jazz, and hip hop
- **Level 3** = advanced skill-building programs for Grades 5-8 in ballet, lyrical, and jazz, while still inclusive of dancers seeking to begin in a particular style
- **Level 4** = Formal for-credit course for Grades 9-12
- **Level 5** = Opportunities for advanced training, open to Grades 9-12.

Many families choose TVS Dance because our instructors work flexibly with student schedules. We balance the rigor of TVS Dance with that of students' school-day curriculum. Dancers are allowed to participate at their own level of interest, desire, and availability.

Each semester, we showcase dancer progress through a Winter Performance (December) and a Spring Performance (April). We invite families and their guests to enjoy these evenings of fun!

We look forward to serving your dancer through our programming this year!

– General Information –

TVS Dance offers a comprehensive dance education for all ages and skill levels. The School offers dance classes in a variety of forms, including...

BALLET

Ballet is the essential foundation of all dance training and enhances dancer strength and flexibility. The study of ballet is strongly recommended for all dancers at every level. Proper technique and alignment are emphasized in the TVS program. Age- and level-appropriate instruction includes barre, center and floor work, choreography, stage presence, and performance etiquette. Pointe work is optional and may begin with the recommendation of the instructor.

LYRICAL

The study of lyrical joins elements of jazz, modern dance, and ballet technique through expressive dance narratives. Through the study of lyrical, dancers refine balance, increase extension, and connect physical movement with emotional expression. In addition to improvisation, classes consist of center and floor work, progressions, jumps, turns, and choreography.

JAZZ

Filled with high energy and rhythmic movement, jazz training develops the dancer's range of style, line, and form. Center and floor work, progressions, jumps, turns, and choreography provide a solid foundation in classic and current trends in jazz technique. Dancers experiment with self-expression, develop personal style, and focus on performance quality.

HIP HOP

Hip hop's urban street flair combines break dance, pop and lock, freestyle, and tricks. Fun and high energy, hip hop reinforces musicality and a heightened sense of rhythm, self-confidence, expressive movement, and personal style. Dancers gain strength, flexibility, precision of movement, and stamina during this fun and upbeat class with age-appropriate music and choreography.

You're in the right place! *Please continue reading...*

Our TVS Dance programs mostly fall within the same model as our other Enrichment programs here at Trinity Valley School. As such, many of these logistics - especially for grades PreK-8 - replicate what can be found in our Enrichment Catalogs!

PreK Dance, Kinder Dance, and Levels 1-3 in each style begin after Labor Day for the fall semester and after Martin Luther King, Jr. Day for the spring semester.

- Please pay special attention to the specific dates of the programs.
- If you see an expected date "missing," this indicates either a no-school day OR a day the instructor is unavailable.

Registration for PreK Dance, Kinder Dance, and Levels 1-3 in each style will occur online, via the [Auxiliary Programs registration platform](#), powered by CampBrain. Registration for the fall semester opens on **Wednesday, July 17, 2024, at 5:00 p.m.** Registration for the spring semester opens on **Wednesday, November 13, 2024, at 5:00 p.m.** All participants - both from Trinity Valley School and the community - must register online.

Due to our Studio's capacity, TVS Dance programs have an enrollment cap.

- **If a maximum enrollment is exceeded, our platform will automatically switch the program status to "waitlisting."** You are welcome to add your child's name to the waitlist, or find other programs that are still open.
- If space opens in a waitlisted program, a member of the Auxiliary Programs team will contact you as soon as possible to inquire about finalizing enrollment. Please note that we may not be able to accommodate all waitlisted individuals.

For grades PreK-4, a 15-minute supervised break for restroom, water, and snack (provided) will occur in the TVS Dining Hall between school-day dismissal and the start of TVS Dance programs. This is also the time to change into appropriate attire (please see below). For grades 5-8, programming will typically begin at 4:45, to accommodate other after-school activities - like sports - that participants may have. Students in these grades should report directly to the TVS Dance Studio by the start of their program.

**Beginning on the registration dates listed above, please [REGISTER HERE](#) for:
PreK Dance, Kinder Dance, and Levels 1-3 in each style!**

GRADES 7-8

A minimum of 6 hours per week with TVS Dance after-school programs is required to fulfill the Middle School athletic requirement.

Although other “pathways” may be provided at the discretion of TVS Dance and the TVS Middle School, the most common “pathway” is:

 - 1 hour of leadership in a lower-level Dance class
-

GRADES 9-12

Athletic credit falls under the umbrella of the Upper School Activities Credit requirement. The two common “pathways” for earning Activity Credits (with a physical component) are:

One full year of enrollment in a Dance I, II, III, or IV course = **3 Activity Credits OR 1 Fine Arts Credit**

Please note that enrollment in the course is semester-based, but one Activity Credit is awarded for EACH athletic season of enrollment (fall, winter, and spring).

OR

One full semester of participation in two TVS Level 3 after-school programs = **1 Activity Credit**

Please note that this option requires permission from TVS Dance instructors and direct registration via email through the Director of Auxiliary Programs. A 2 evening / week minimum commitment is required.
