- Filter Alerts based on your criteria, place a checkmark in the filter you wish to view. Keep in mind you can check as many boxes as needed to reach your desired filter:
 - **Students:** You can use a selection of students from the Start Page or you can view all students. You an also include inactive students if needed.
 - Student Fields: Ethnicity, Gender, Home Room or School Abbreviation
 - o Standard Alerts: Discipline, Guardian, Medical or Other
 - **Custom Alerts:** These alerts will vary for schools based on custom alerts that have been created for your school.
 - o Display View: Display Expired Alerts, Display Alerts in Column Format
