YOUR VOTE, YOUR CHOICE

Dear MUSD Parents,

Election Day is Tuesday, November 5! If you haven't voted yet, there's still time to make your voice heard.

This year, **Prop 488** is on the ballot—a bond proposal that addresses critical needs in our rapidly growing district. Here's what you need to know about Prop 488:

- **Building Two New Schools:** We plan to serve students in grades K-8 by constructing two new schools, providing the space and resources our students need to succeed.
- **Adding Classroom Space to Both High Schools:** To support workforce development and accommodate increasing enrollment, we're expanding classroom spaces in our high schools.
- **No Increase to Tax Rate:** Watch the [How Bonds Work Video](#) to see how we can build schools without raising tax rates.

For more information, visit our [Just the Facts Page](#) to understand how this bond impacts our schools and community.

Every vote counts, and your input can help shape the educational landscape in MUSD.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
