31 SUNDAY IN ORDINARY TIME

One of the scribes came to Jesus and asked him, "Which is the first of all the commandments?" Jesus replied, "The first is this: Hear, O Israel! The Lord our God is Lord alone! You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength.

The second is this: You shall love your neighbor as yourself. There is no other commandment greater than these."

Reflections From Our Pastor

<image>

My Dear St. Agnes Family,

As we approach next week's elections, I feel compelled to remind you of the crucial amendments that are putting human lives at risk. The two amendments that severely threaten our commitment as Catholics to the sanctity of life are Amendment 4 and Amendment 3.

First, and most importantly, I urge you to **VOTE NO on Amendment 4**, which endangers the lives of unborn babies and mothers by undermining the protections that we, as a community, strive to uphold. Our Catholic faith teaches us that every life is sacred and is created in the image and likeness of God. It is our moral responsibility to answer this call and vote to protect the most vulnerable among us.

Secondly, I encourage you to **VOTE NO on Amendment 3**, to keep marijuana illegal and help protect the health and safety of all Floridians. Legalizing this harmful drug would especially affect our most susceptible population, our youth. This drug is dangerous and addictive drug that has shown to lead to many mental health related illnesses. In addition, it can become a gate-way drug for other substance abuse.

Nov. 3rd, 2024

Father Juan Carlos

We must prioritize saving lives, and preserving the safety and well-being of all Floridians. By voting NO on Amendment 4 and No on Amendment 3, we can fulfill our mission to protect life and respect the dignity of each person. Let us stand firm in our beliefs and take action to reflect our values.

May God bless you always,

Rev. Juan C. Paguaga Pastor

All Saints Day is a Holy Day of Obligation for Catholics to commemorate and honor all saints in heaven, both canonized and those who lived holy lives but are not officially recognized by the Church. They serve as a reminder to strive for holiness in their own lives and to seek the intercession of the saints; it is a day to attend Mass and reflect on the communion of saints connecting those in heaven, purgatory, and on earth.

Our St. Agnes Catholic Parish & Academy both celebrated All Saints Day with a special mass celebrated by Fr. Paguaga. He called the students to celebrate all of the great people that served as good examples and have taught us beautiful lessons on how to live the most holy life possible. He urged the kids to strive to be saints and go to Heaven. He told them to lead holy, joyful, and grateful lives.

of their Christian faith through literary classics. Spiritual reading is a cornerstone of Catholic practice, as it inspires our hearts and conforms our minds to Christ. This month, we will continue to discuss the book: *Mere Christianity* by C.S. Lewis. In the book, Lewis Lewis argues for the logical validity of Christianity. He explains that moral law isn't just an arbitrary human invention—it's actually a real, timeless thing—invented by an all-powerful being who stands outside the confines of material space and time, and reveals itself to humans through moral law.

Parental notificatin is <u>NOT</u> parental consent, allowing underage children to obtain abortions without their parents' permission.

Keep Florida a Family-Friendly & Drug Free State

KEEP YOUR FAMILY SAFE

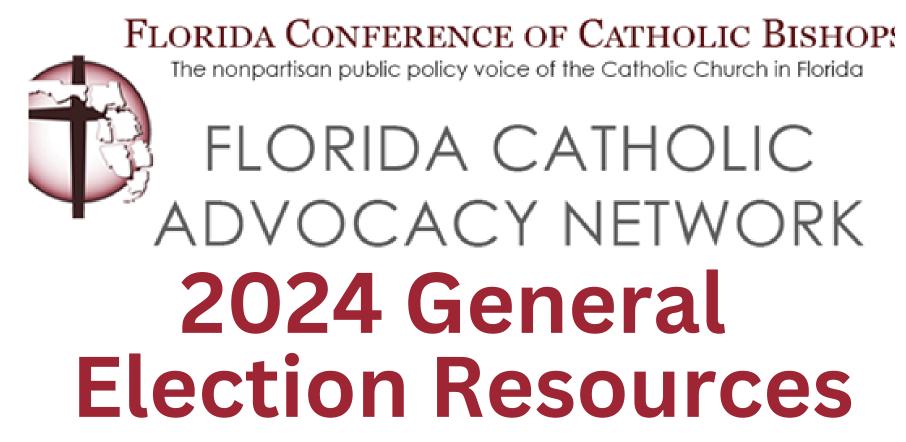

Consequences If Amendment 3 Passes

In states that have legalized recreational marijuana, marijuana addiction among youth has dramatically increased.

With legalization, marijuana's potency has skyrocketed to upwards of 99% THC. Studies show that use of today's marijuana, severely affect the development of young brains & is associated with psychosis, schizophrenia, anxiety, depression, worsening PTSD symptoms & even suicidality.

Legalizing recreational use of marijuana would normalize smoking in public, polluting our beautiful cities in Florida with a toxic drug. This would also encourage "high" users to roam our towns with potential unsafe behavior due to cognitive impairment and likely lead to increased crime rates.

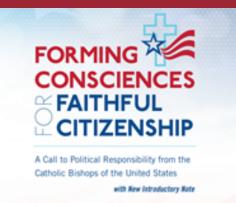

We would be complicit in supporting a drug-addictionfor-profit industry.

The 2024 election season is upon us and faithful citizens can use this time to form their consciences, learn about the issues, and research the candidates as they prepare to cast their ballots. The following resources are offered by the Florida Conference of Catholic Bishops (FCCB) to assist in this endeavor. Additional resources intended to help voters make informed decisions can be found on the <u>Election Materials and Guidelines</u> page of the FCCB website: <u>https://flaccb.org/election-materials-and-guidelines</u>.

The USCCB offers this teaching document to guide Catholics in the exercise of their rights and duties as participants in our democracy. Pastors, lay and religious faithful, and all people of good are urged to use this statement to help form their consciences; to teach those entrusted to their care; to contribute to civil and respectful public dialogue; and to shape political choices in the coming election in light of Catholic teaching.
