Safety Net Information

- Support students in partnership with general education teachers in literacy so they can meet or exceed grade level standards
- Safety Net instruction never replaces core instruction with their teacher, it serves as extra instruction for students who qualify

Julie Palmer

jupalmer@lwsd.org

Michelle Vallene

mvallene@lwsd.org

Ellen Barber

ebarber@lwsd.org

WHO IS SERVED IN SAFETY NET?

We serve students who are not meeting district and state academic standards in reading.

Our Reading testing will be through FastBridge, which replaced DIBELS

Safety Net groups will begin when testing has been completed by their classroom teacher.

Parents will be contacted if testing data indicates that their student will benefit from receiving extra support in Safety Net groups.

Safety Net groups will not interrupt or replace classroom instruction, they act as an extra support in addition to core curriculum

Multilingual Learner (ML) Program

We provide English instruction and support to multilingual students in all grades focusing on ...

listening

speaking

reading

writing

The type and level of English support is determined by students' WIDA test scores and other assessments given by classroom and intervention teachers.

Questions about English support can be directed to the Multilingual Teachers:

MEET THE SCHOOL COUNSELORS!

Ms. Schroeder. Full-time School counselor at JME. In my spare time I love going to hockey and baseball games with my family, and I love musical theatre especially at 5th Ave and the Paramount. I live at home with my husband, two sons, and two crazy cats.

Ms. Powers! Bonus School Counselor at JME. I work with Ms. Schroeder to help ALL students at JME. You will see me on Monday's! I love reading, going to the beach, crafting and spending time with my family. I live at home with my husband Jordan, daughter Lucy and cat ROY!

JOHN MUIR EXPECTATIONS:

RESPECTFUL

ON TASK

APPROPRIATE

RESPONSIBLE

WHAT DOES AN ELEMENTARY SCHOOL COUNSELOR DO?

1

SUPPORT

- Academic, social, and emotional development of all of the students here at JME

2

EDUCATE

- Classroom SEL lessons
- Student small groups
- JME community resources

3

ENCOURAGE

- Students
- Families
- Teachers
- JME community

COMMON CORE STATE STANDARDS (CCSS)

These standards were written to:

- Be rigorous
- Prepare students for college
- Prepare students to compete in a global economy

The CCSS reflect the knowledge and skills that young people need to succeed in college and career. They focus on:

- Problem solving
- Critical thinking skills.

These standards assist Lake Washington School District in its vision:

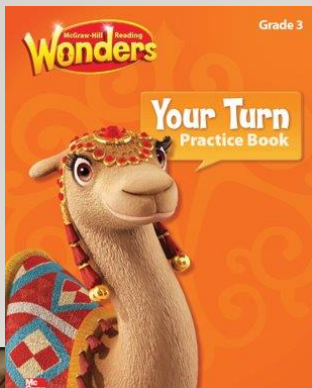

Every student future ready:

- Prepared for college
- Prepared for the global workplace
- Prepared for personal success

CCSS AND READING WONDERS AT K-5

- **Reading Wonders** is fully aligned with the **CCSS** and provides resources that support the rigor of these new standards in the following ways:
 1. Builds a strong reading foundation
 2. Assists students in accessing complex text
 3. Assists students in finding and using text evidence
 4. Helps engage students in collaborative conversations
 5. Engages students in the purposes for **writing**:
 - a. **Informative/explanatory texts**
 - b. **Opinion/Argument**
 - c. **Narrative**

LITERACY: LWSD WRITING UNITS

- Our writing program is the LWSD Writing Units*, which will provide many opportunities to grow in writing and will prepare the kids for the Smarter Balanced Assessment. These are the main genres of writing we will engage in this year:
 - Personal Narratives
 - Informational Writing with Research
 - Opinion Writing
 - Realistic Fiction

ILLUSTRATIVE MATHEMATICS

- Illustrative Mathematics K-5, is a problem-based, rigorous curriculum that makes elementary school mathematics accessible, impactful, and memorable for all students. Authored by the Illustrative Mathematics team and delivered in LearnZillion's platform, this curriculum has what is needed to reach all students. There are eight units with a consumable learner workbook.
- Introducing Multiplication
- Area and Multiplication
- Wrapping Up Addition and Subtraction within 1,000
- Relating Multiplication to Division
- Fractions as Numbers
- Measuring Length, Time, Liquid Volume, and Weight
- Two-dimensional Shapes and Perimeter
- Putting it All Together

AMPLIFY SCIENCE UNITS

1. Balancing Forces – Floating Trains Phenomenon
2. Inheritance & Traits – Variation of Species Phenomenon for an adopted Wolf pup
3. Environments & Survival – Survival Traits & Adaptations for Grove Snails
4. Weather & Climate – Patterns in Weather Data for Orangutan Habitats

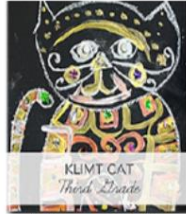

SOCIAL STUDIES: INQUIRY JOURNEYS

Themes:

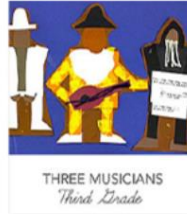

- Where in the world are we?
- How does geography shape culture?
- How are we connected to the global community through what we produce and consume?
- How can I play a part in the global community?
- How can we take informed actions?

TECHNOLOGY

- Keyboarding skills
 - Typing Club
- Online safety
 - Common Sense Media is our curriculum for digital citizenship
- SBA prep (To Be Determined)

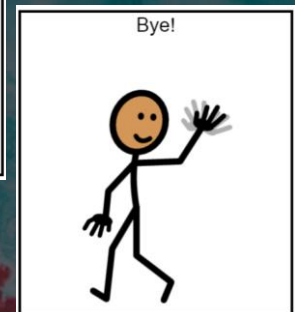

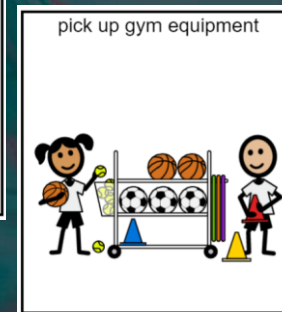

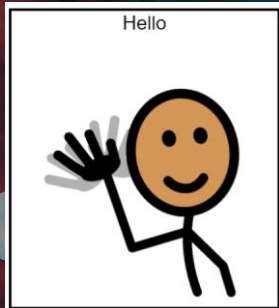

Social and Emotional (SEL)

Our Mission is to ensure each student in Lake Washington School District feels:

1. Your students matter to our community. We take pride in knowing each student's name, strengths, needs, and aspirations.
2. Your students belong to our community. Our schools thrive when each student can contribute in a meaningful way.
3. Your students are safe within our community. Staff and students take responsibility in nurturing both physical and psychological for others and themselves.

PE Class 2 times each week

Be ready to move by wearing safe running shoes!

Music is 2 times a week!

We will learn how to...

SING!

PLAY
INSTRUMENTS!

READ
RHYTHMS!

READ MUSIC!

AND...DANCE!!!

JME LIBRARY PROGRAM INFORMATION:

- All grades visit the library for 30 minutes a week.
- Students listen to stories, learn about digital citizenship, and how to explore their information needs.
- Grades 3 Check out 2 books to take home. The books are due 1 week later.

Mrs. Kehrli

stkehrli@lwsd.org

WHAT CAN WE DO AT HOME?

- Reading at home for 20-30 minutes each night is a good goal!

WHY READ 20 MINUTES AT HOME?

Student A Reads	Student B Reads	Student C Reads
❖ 20 minutes per day.	❖ 5 minutes per day.	❖ 1 minute per day
❖ 3,600 minutes per school year.	❖ 900 minutes per school year.	❖ 180 minutes per school year.
❖ 1,800,000 words per year.	❖ 282,000 words per year.	❖ 8,000 words per year.
		
❖ Scores in the 90 th percentile on standardized tests.	❖ Scores in the 50 th percentile on standardized tests.	❖ Scores in the 10 th percentile on standardized tests.

If they start reading for 20 minutes per night in Kindergarten, by the end of 6th grade, Student A will have read for the equivalent of 60 school days, Student B will have read for 12 school days, and Student C will have read for 3.

(Noy and Herman, 2002)

WANT TO BE A BETTER READER? SIMPLY READ.

Accelerated Program Testing

- Anyone can apply!
- As we move forward with this year, more information regarding Highly Capable Identification process for 2024-2025 will be shared directly to families from the High Capability Program.
- More information? Check out the Accelerated Programs [here](#)

QUESTIONS?

If you have any questions, please reach out to your student's teacher on Parent Square.
