Principal's Den

Dear LES families,

Happy November! The second 9-weeks is off to a great start! November is a busy month for Liberty! We have several family events planned as we head into our week-long Thanksgiving break. We are looking forward to a great month!

For the safety of our students, the Ralston Lane parking lot is not to be used as a car pick up place in the afternoons. That space is designated for walkers and bike riders only. If children are to be picked up in cars, please use the designated car rider lanes.

We are excited to host Thanksgiving lunch for families on Thursday, November 21st! Be on the lookout for a form asking for the number of guests coming on that day. This count is extremely important as it helps us prepare enough food for everyone. We will not collect money for guest lunches beforehand. All money will be collected on the day of the lunch.

My staff and I wish you a save and happy Thanksgiving with family and friends!

Respectfully,

Mrs. Patton

#OneLiberty

Book Fair Time!

The Liberty book fair will be the week of November 18th-21st! To make our book fair a success, we will need volunteers! As a reminder, all volunteers will receive a 20% discount. Book fair volunteers will be running the cash register and helping students make book choices. If you can help out, please sign up for a slot using the link below. The book fair will be closed by noon on Thursday the 21st. It will not be open during our Family Math Game Night. Questions? Email Mrs. Watts at wattslau@fssd.org. Thank you for your support!
