### After School Message

#### Hello good afternoon parents!

We are continuing out with our second period; Our students will be receiving a second progress notice this month. Thus far has been a pleasure time serving your child/ren in the after-school program this 2024-2025 school year. We will continue to expose our students to a wide variety of experiences of this year's exciting path of leaning together.

For the 2<sup>nd</sup> semester (Sept.- Dec.) our students will continue to work with KLSD Deign for our "Enrichment" component. Since KLSD has started they have really made a big impact on our students. Our student has really enjoyed creating water bottles by creating their very own digital stickers that represent them and what they love. We will also continue to provide homework assistance daily.

We are thankful for each one of you thank you for being a part of the after-school program.

Please feel free to contact us with any questions or concerns.

Warm regards,

Monique Robinson/ Site Lead  
Sara Hassan / Coordinator
