

Association of Parents and Staff Family Education

An Overview of Government Benefits

Please join us for an informational hour with Mike Walther, CPA/PFS, CFP®, CFA® and founder of Oak Wealth Advisors as we discuss Government Benefits.

Thursday, November 14
7-8 p.m. on Zoom

Who is eligible for benefits? How do you access them? Government benefits are valuable throughout your loved one's lifetime. This presentation benefits families who want to understand what benefits are available and what the requirements are for eligibility. Successfully obtaining benefits provides income and medical support as well as free food and adult services. For families with loved ones who are teenagers, or are in their early twenties, this information is essential.
