NLM
NORWALK - LA MIRADA
UNIFIED SCHOOL DISTRICT
Every Student. Future Ready. Our Promise!

Welcome to Southeast Academy High School! Our priority is helping cadets be the best version of themselves, beginning with clear expectations. In meeting with cadets and families, we emphasize the importance of a safe and strong instructional environment.

Our world-class teaching staff shares a unified vision of effective teaching with defined expectations and a commitment to ongoing improvement. With our district partners, we use research-backed strategies to support our goal of preparing cadets for college and careers. Southeast Academy's culture fosters academic, social, and leadership growth, ensuring "Failure is Not an Option."
