Together We Can Oakdale Elementary

A Note from the Principal

November is a very busy month at Oakdale. Students and teachers are working hard toward the end of the first semester testing for ELA and math and the goals attached to those.

The work also helps our third-fifth graders in their preparation for the State Assessments that will come during the second semester.

Thank you to our families for your continued efforts to make sure your child(ren) are here with us, ready to learn, and for your support from home!

- Angela Dorzweiler, Principal

Congratulations to all the students who worked so hard in completing the Marathon!
