Christmas Adventure in the AR & VR World

Give your child an extraordinary winter camp experience with our immersive AR and VR course, "Christmas Adventures in the AR & VR World." Designed to combine the magic of Christmas with cutting-edge technologies, this engaging program takes children on a journey into the digital realm. Guided by experienced instructors, they will explore the enchanting theme of Christmas while learning to create their own AR Christmas Crystal Ball and experiencing a virtual Christmas carnival in VR. This course fosters creativity, problem-solving skills, and critical thinking, providing a safe and dynamic learning environment for children to embrace the world of digital technology and unlock their creative potential. ***A laptop is required for this class**

[Please click here to enroll](#) or for more information email info@sup-education.com

Dates: Dec. 23, 24 & 27

Ages: 12+

Time: 10:00 - 12:00

Fee: \$1764

Creative AI Camp: Music, Art & Game Makers!

Dive into the world of AI in our dynamic workshop where creativity meets technology! In this hands-on camp, students will explore the latest AI tools to generate art, music, and even develop their own AI games and apps. Participants will learn about prompt engineering to create unique digital art and original songs, while also engaging in brainstorming sessions for game design. As part of the curriculum, students will discuss the foundational concepts of AI, ensuring they understand its applications and implications. Each group will have the opportunity to incorporate a festive Christmas theme into their projects, culminating in a digital art book or storybook showcasing their innovative creations. Join us for a fun and educational experience that inspires teamwork and creativity! ***A laptop is required for this class**

[Please click here to enroll](#) or for more information email info@sup-education.com

Dates: Dec. 30, 31, Jan. 2, 3

Ages: 12+

Time: 10:00 - 12:00

Fee: \$2352

Basketball

Basketball

Our Winter Break Camp is the perfect opportunity for players to sharpen their basketball skills while having fun during the holiday season. The camp will focus on improving coordination, agility, speed, and overall athleticism, while incorporating exciting basketball games and competitions. Each session is packed with skill development drills, contests, and plenty of game time, ensuring that every player stays engaged and enjoys the process. The camp is open to boys and girls from 6 - 12 regardless of skill level. Players will be grouped by age, skill level, to ensure the most suitable learning experience. Please come in comfortable sportswear, including sneakers, shorts, and shirts. Don't forget to bring a water bottle and your own basketball. If you don't have a ball, we'll provide one for you. We look forward to seeing you on the court this winter!

Design Thinking & Strategy

Game Designers: Study and Create Board Games

Have you ever wanted to build your own board game? In our Game Designer program, you'll experience what makes games fun and develop the skills to create your own! With a team's help, you will discover how game mechanics convey the theme and story of your game. Before you know it, you will be designing a prototype, playtesting, and modifying your games to create the best possible outcome. At the end of the course, you will pitch your game to the class and game developers to get professional feedback. This project-based experiential program is designed by experienced game designers in collaboration with creative consultancies, and led by facilitators who work with real industry professionals!

Dates: Dec. 30, 31, Jan. 2, 3

Ages: 11 - 14

Time: 9:00 - 11:00

Fee: \$2604

Short Film Production: Make an AI-Written Holiday Film

Want to experience filmmaking with AI? Many students have heard a lot about AI and ChatGPT lately, but don't know how artificial intelligence can play a part in their creative work, which means they miss out on the chance to experiment with new technology in filmmaking. In this camp, students will discover the creative possibilities of short film production by creating a film written by AI. During the winter break, they will learn filming, acting, and editing skills to create a short film. No prior experience or specialized equipment are required. Parents/guardians are invited to a Premiere on the last class. Limited to 12 students only and available just once a year, so enroll now to not miss out on the fun of short film production! ***A laptop is required for this class**

[Please click here to enroll](#) or for more information email info@babel.com.hk

Dates: Dec. 23, 24 & 27

Ages: 12 - 15

Time: 9:30 - 12:30

Fee: \$3761

Video Creator: Make a Holiday Movie Trailer

Want your child to create interesting videos? Many students today are interested in video creation, but few know how to create them professionally, which means their videos don't look as impressive as they can be. In this camp, students will be introduced to the exciting world of video creation by making a holiday movie trailer. This Winter break, they will learn video editing and sound design skills for movie trailers. No prior experience or specialized equipment are required. Limited to 12 students only and available just once a year, so enroll now to not miss out on the fun of video creation! ***A laptop is required for this class**

Gymnastics

Gymnastics

Asia Adventure Sports offers an exciting gymnastics program designed to introduce children to fundamental gymnastic exercises, routines, and apparatus. Our goal is to help them become competent and confident gymnasts. The program emphasizes the development of essential skills such as strength, flexibility, agility, coordination, and balance through various exercises. Classes are conducted in the enjoyable and supportive environment that Asia Adventure Sports is known for, with a strong focus on technique and performance quality.

Dates: Dec. 23, 24 & 27

Ages: 4 - 8

Time: 9:00 - 11:00

Fee: \$1103

Dates: Dec. 30, 31, Jan. 2, 3

Ages: 4 - 8

Time: 9:00 - 11:00

Fee: \$1470

Play in a Day - A Christmas Carol

This is our unique one-day experience where members will work together to produce and perform their own production of A Christmas Carol in one day! After some initial warm up activities, members will begin to work on casting, characterisation, blocking and rehearsing. 7 hours later, the group performs their play in front of their audience! The workshop is a great opportunity for actors to craft their performance skills and work as an ensemble.

Fee: \$2415

Dates: Dec. 30, 31, Jan. 2, 3

Ages: 8 - 12

Time: 10:00 - 12:30

Fee: \$2415

Pop Music

Jingle All The Way! Christmas Pop Singing Class

Sing and move to your favorite Christmas carols this season! Our DFJ vocal coach will teach students Christmas-themed singing, an excellent festive season tradition. Singing reminds us of winter evenings filled with cheer and music. This tradition helps us spread goodwill and foster community while learning proper vocal techniques and basic movement this season. The camp ends with a short open-day performance.
