

Interact Member Agreement

Welcome to Interact! We greatly appreciate your desire to volunteer in the community but in order to remain an *active member* you must follow a few requirements:

1. You need to maintain a minimum of a 76% average in every subject area. This will be checked at interims and report cards. If you have a lower average you will be put on probation until you are able to bring up your grade.
2. You will be asked to participate in service projects this year.
3. You are expected to attend at least 5 meetings per year. You must attend two meetings by winter break.
4. You are required to notify an advisor prior to a meeting if you are not going to be able to attend. You are also required to pick up the agenda from the missed meeting.
5. You are responsible for signing in at each meeting and event.

Meeting dates will be after school, in Room 63, on the first Tuesday of each month. There may be additional meetings as well depending on projects on which we are working. Please listen to the announcements each morning for updated information.

I agree to follow the above requirements to maintain my membership in Interact. I will notify Mr. Galeone if I no longer wish to be a member of Interact.

I have read and understand the requirements for participation in Interact. This signature also allows my child to stay after school for scheduled monthly meetings. I understand a separate permission form will be distributed for each of the other activities, at the time of those activities.
