Important Need to Know

1. **Early Dismissals-** When necessary, you are able to request an early dismissal for your child. You can make the request using a written note that you send with your child or by emailing me at

csheppard@boyslatin.org. Some parts of our day are busier than others. For this reason, we ask that all early dismissals happen before 2pm.

2. **Excusing an Absence-** When your child is absent, a written/emailed absent note is required to excuse the absence. You are able to excuse the absence for up to 2 consecutive days with the written note/email. If your child is absent for a 3rd consecutive day, a written/emailed medical note is required. No more than 10 excused absences are allowed during the school year. More details regarding attendance can be found on the attached Attendance Policy.

3. **Transportation-** Only students that live **1.5 miles or more** from the school qualify for transportation and will receive a Septa Fare Card. The fare card is of no cost to families. The School District of Philadelphia determines whether your child is eligible for transportation. If your child is found to be eligible for transportation they will receive (1) YELLOW fare care. Although issues are isolated, please be advised that you may have to provide transportation for your child for up to the first 2 weeks of school if there is an issue with your transportation status. The school district does not furnish us with day passes, vouchers or any other fare items. More information regarding the Septa Student Fare Card can be found [here](#).

4. **Parent/Family Contact Information-** Please make sure that all of your contact information is up-to-date. We use the contact information that you provide to issue early dismissals, emergencies and communication. If you need to change your address, please contact Ms. Sheppard at csheppard@boyslatin.org

WHAT YOU CAN DO

Make school attendance a priority

- Talk about the importance of showing up to school every day.
- Help your teen maintain daily routines, such as finishing homework and getting a good night's sleep.
- Try not to schedule dental and non-Covid-19 related medical appointments during the school day.
- Keep your student healthy, and if you are concerned about Covid-19, call your school for advice.
- If your teens must stay home because they are sick or in quarantine, make sure they have asked teachers for resources and materials to make up for the missed learning time in the classroom.

Help your teen stay engaged

- Find out if your children feel engaged by their classes, and feel safe from bullies and other threats.
- Make sure your teens are not missing class because of challenges with behavioral issues or school discipline policies. If any of these are problems, contact the school and work with them to find a solution.
- Monitor your teen's academic progress and seek help from teachers or tutors when necessary. Make sure teachers know how to contact you.
- Stay on top of your child's social contacts. Peer pressure can lead to skipping school, while students without many friends can feel isolated.
- Encourage your teen to join meaningful after-school activities, including sports and clubs.
- Notice and support your students if they are showing signs of anxiety.

Communicate with the school

- Know the school's attendance policy – incentives and penalties.
- Check on your teen's attendance to be sure absences are not adding up.
- Seek help from school staff, other parents or community agencies if you need support.
