

SAFE AND RELIABLE SCHOOL BUSES

ISZL offers its own bus service for Primary and Middle School students at the Zug Campus in Walterswil. The bus fleet consists of 35 vehicles serving over 500 students.

We provide a safe and reliable service, covering over 20 routes with 200 stops in the surrounding area. Our youngest learners are accompanied by experienced bus drivers to the classroom, ensuring they arrive on time and in the right room.

Bus Drivers

Our bus drivers are ISZL staff members and meet all Swiss driving regulations. They are background checked by the federal authorities and take a driving awareness course and a recurring transport regulation course, including first aid and child protection training.

Buses

Our buses are regularly serviced and safety checked. Each bus is fitted with a tracking system so the transportation team always knows the real-time location. Primary and Middle School buses are equipped with built-in children's seats and adjustable seat belts for children from Early Years 1 to Grade 8.

ProvaParent App

The ProvaParent app allows parents to access their child's schedules and live tracking information for accurate pick-up and drop-off times.

It is incredibly rewarding to be part of the ISZL community and to help new families and students feel welcome when they join the school. I really enjoy helping all the children to have a positive start and end to their day and to travel safely on our buses.

Fredi Meier, ISZL Bus Driver

Working at ISZL as a Transport Administration Manager allows me to assist families in their daily routines by securing a flexible and timely school bus service for their children. Having first joined ISZL in 2006, I am very proud to see how far the school bus service has come over the past years. I can honestly say I love my busy job!

Tarja Müller, Transport Administration Manager

PUBLIC TRANSPORT

Switzerland has an excellent public transport system. Use the QR code to download the app or visit www.sbb.ch. Please note that the bus stop for the Zug Campus is called Baar, Walterswil. The bus stop for the High School Campus is called Hünenberg, Seeblick.

It's wonderful to be met by our smiling bus driver every day and always right on time.

Mette, Parent

We found the school bus service to be an indispensable part of school life. We don't have to worry about lifts or public transport and it has made our school experience much easier.

Miranda, Parent

ISZL buses are scheduled to arrive at school each morning between 08:40 – 08:45, and to depart at 15:40, after the end of lessons. There are no buses running after clubs.

The service is available on an annual subscription basis, with fees based on the number of rides per week.
