

## Twin Rivers Elementary *Title I Parent and Family Engagement Policy*

Twin Rivers works in collaboration with parents, families, teachers, support staff, community members, and school and district administration in the organizing, planning, review and improvement of the school's Title I program and in the planning and review of the Parent and Family Engagement policy. The Parent and Family Engagement section of the Every Student Succeeds Act (ESSA), Section 1116(b) requires every Title I school to develop a written parent and family engagement policy that describes the means for carrying out the requirements of Section 1116.

Twin Rivers' Parent and Family Engagement Policy has been developed jointly with and agreed upon by parents and family members of Title I children. Twin Rivers conducts meetings for families to formulate suggestions, and to participate, as appropriate, in decisions about the education of their children and on decisions about how to spend parent and family engagement funds. Twin Rivers' Title I funds will be used to pay for reasonable and necessary expenses associated with parent and family engagement activities. Twin Rivers Elementary ensures that information related to school and parent programs, meetings and other activities are sent to the parents of all Title I children in a timely manner, in an understandable format and provided in a language the parents can understand, made available to the local community and updated annually in the spring to meet the changing needs of parents, family members and the school.
