

Red Bank Catholic Giving 2023-'24

Scholarships- 50%

Merit and need-based scholarships are a living breathing gift to Red Bank Catholic. This year five new named scholarships were created to recognize and attract outstanding students and/or make RBC a possibility for qualified students with financial need.

Casey Annual Fund- 21%

The Fund continues to be critical to the future success and innovation at Red Bank Catholic, as tuition alone only covers 85% of the cost to educate a Casey. Your generosity enables RBC to continually innovate our curriculum and invest in experiential learning; offering our Caseys the best academic experience provided by a community of inspiring, caring, and dedicated professionals.

Other Directed Gifts-17%

These gifts fund specific donor directed projects and programs that benefit RBC students.

Parent Organizations- 12%

The Parent Teacher Association, Booster Club and Performing Arts Parents Association continue to support important program needs at Red Bank Catholic. This includes Count Basie Field, teacher appreciation, the Performing Arts Program, lecture series, student recognition and awards.
