

Getting Started Guide

StudentSquare is an easy to use and secure communication tool for students and staff.

What you can do with StudentSquare

- Receive messages from school by email, text or mobile app.
- Send messages to your teachers and staff at school.
- Stay in the loop regarding late start days, extracurricular activities, and class projects.
- Subscribe to calendars, RSVP to events, complete forms, use sign-up sheets and participate in groups.

The ParentSquare apps are free and available in both the Apple iOS and Android stores.

You can also access StudentSquare on the web at

Join by Code

In some schools, you may be sent a code to self-register your account using your cell number or your email. You will be given a code by your school to enter into a web browser. Enter the code to be taken to a page to activate your account.

1. Enter your Student ID number and your email address or phone number.

2. Click **Sign Up**.

3. Check your email for the Verification Code and enter it in this field.

4. Create a secure password and enter it in both blanks.

5. Select **Register**.

6. Check your email or phone to click **Confirm your account** or copy/paste the link in your browser window.

Now you can log in to your account through the app or web browser.
