

2025-2026 JUNIOR ELECTIVES

When choosing elective courses, it is important that you make sure you have met the prerequisites for taking that particular course. The prerequisites can be found in the Curriculum Handbook online at www.lafayettejeff.org > Departments > Guidance.

It is also important that you register for both semesters of a full year course. See the key below to determine which courses are full year courses.

Key:

* = one semester course offered both semesters
 1 = one semester course offered 1st semester only
 2 = one semester course offered 2nd semester only
 Y = year long course – you must register for both semesters

Honors classes are highlighted in **yellow**
 AP classes are highlighted in **pink**
 Classes highlighted in **green** are 2 periods
 (sa) = summer assignment prior to class

B = Ball State dual credit available
I = Ivy Tech dual credit available
V = Vincennes dual credit available
