NOVEMBER

Dallas School Elementary Menu

MONDAY

TUESDAY

WEDNESDAY

THURSDAY

FRIDAY

Though our menu offers popular items that can often be found in grocery stores and restaurants, our meals are very different. The food we serve is formulated to be lower in fat, sodium, and sugar and higher in fiber, in order to comply with federal school meal regulations.

For example, all grain items, such as pasta, breads, and tortillas, are whole-grain rich. Additionally, we do not serve students anything that is fried, all menu items that are typically fried are baked in an oven instead.
