

NOVEMBER NEWSLETTER

Upcoming Activities

This November we will be attempting to test out a volleyball club in addition to the football club. Modifications will be made as needed. On the 7th, we will make wooden coasters, and on the 21st we will make shrinky dinks. November 22nd, we will try out new ways to make rainbow scratch art. However, our most anticipated event for the month will be on the 15th, we will have a music-themed day and attempt to learn Spanish and French nursery rhymes.

Message from Ms. Analisa

I would like to take a moment to thank all my students for choosing every day to be kind and helpful, especially my junior councilors. I am so proud of you! Thank you to all the parents for your patience and understanding. Also, I wanted to give a special thank you to everyone who wore blue and/or gifted us anything for Lights on After school day. We are so grateful for your support. You are appreciated and a joy to work with!

All-Star for October

There has to be a special shout for these two athletes, on the 25th during football club Beckett and Graham made some insane plays. Beckett managed to catch a ball the other team kicked and ran it halfway across the court before getting stopped by a two-hand touch. Graham kept making the most impressive catches, even when the person blocking him was taller student!

November

Snack Schedule

	Monday	Tuesday	Wednesday	Thursday	Friday

Your personal QR code never changes, it might be helpful to screenshot it or print it off and keep with your ID

October Highlights

We had so much fun this October! The most popular event was the bubble party we had in the afternoon on the 11th. However, fall bingo and the cup song were a pretty big hit with the students too. Salt spiderwebs did not turn out as expected but everyone had fun making them and Puffy pumpkins went perfectly. The students had a blast on the 30th building with marshmallows but probably had more fun when they got to eat the marshmallows afterward. A big thank you to the Liberty North Interact club for their surprise visit! They brought all the students hot chocolate and taught them how to make balloon minions.

Specialized Gym Activities

In an attempt to accommodate student desires, we are test-running specialized gym activities in a time slot we normally would not be in the gym. This will occur every morning from 8:20 am to 8:40 am.

Monday- Advanced Gym

This gym time is targeted towards more competitive students who demonstrate the ability to follow all gym rules and understand more complex games. This time is geared towards older students.

Tuesday- Beginner Gym

Beginner time is more for younger students who are here for a good time and not very worried about winning or losing. Students are not able to participate in both Advanced and Beginner time.

Wednesday- Advanced Gym

This gym time is targeted towards more competitive students who demonstrate the ability to follow all gym rules and understand more complex games. This time is geared towards older students.

Thursday- Volleyball Club

Open to all grade levels (maybe subject to change) students will learn and play volleyball.

Friday- Football Club

Specific for 3, 4, and 5th graders students must sign a conduct and safety contract before the first session. This club is a reward for positive behavior and failure to follow rules will result in removal.

Regular gym time will still happen as usual.
