

Introduction

This application aims to identify strategic initiatives at the school level, including both requests for flexibility in adhering to district policy and local programming requests.

This form allows schools to:

Request flexibility: Outline a situation where adhering to a specific district policy or state law might hinder a school's ability to effectively serve its students.

Propose a new program: Request a program your school would like to implement from the district program inventory or that is not currently offered in FCS.

In either case, schools will be asked to clearly articulate:

- The specific challenge or opportunity they are addressing.
- Your proposed solution, including details of the requested flexibility or the new program.
- The expected outcomes and positive impacts of their proposal.

Report on an active program: Provide an update on a program that is currently being implemented at your school to ensure Board approval for the program offering.

Discontinue an existing program: Share rationale for sunsetting a program that has traditionally been active at the school.

Please complete this form thoroughly and in consultation with your principal and fellow council members.

Note, all programs offered at Fulton County Schools must be board approved and require board certification every three years.
