## A Note From Fairview's Principal

### Fostering a Culture of Belonging at Fairview High School

Dear Fairview Community,

Our Fairview community is committed to fostering a culture of belonging, where all members are treated with care, kindness, and respect. Over the past two school years, student leaders have worked to ensure Fairview is a safe, inclusive academic environment with a positive culture and climate. Through efforts from groups like the Access to Action Club, Athletic Leadership Council, and Student Council, we have strengthened our Culture of Respect, where everyone is treated with dignity regardless of background or beliefs. We define belonging as feeling valued, respected, and included, and we remain dedicated to building these principles into our school.
