

Newmark Education

Parent Alert

November 3, 2024

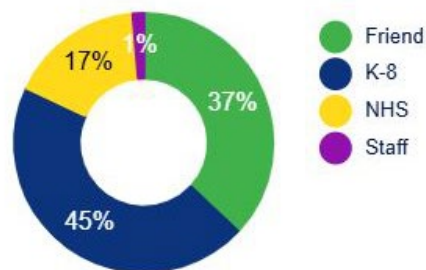

Please Help Us Reach 100% Parent Participation!

Dear Newmark Parents,

A special thank you to all the parents who have contributed to the **2024 Newmark Annual Fund**. Your support is invaluable to continuing the important programs at Newmark. We have been fortunate with several generous donations made by alumni and Friends of Newmark, representing 37% of funds raised so far. Every year our goal is 100% Parent Participation. **To date, only 42% of current Newmark parents have participated in this year's Annual Fund, representing 62% of funds raised.**

2024 Annual Donations By Source

Please help us to continue doing what we do best – **educating and providing emotional and social connections for our families and students**. There is still time to donate if you haven't had a chance to yet. Every gift counts! And, please consider Newmark in your year-end, tax-deductible plans. We gratefully accept credit cards, checks or even stocks.

Visit our [website](#) or check your Friday Backpack News to make a gift today. If you value the education and experience provided by Newmark for your child, please donate to the 2024 Newmark Annual Fund. Be part of the Newmark Parent 100%. Thank you for your consideration on behalf of all the students at Newmark.

Sincerely,

Ms. Cynthia Allman
Executive Director

Dr. Regina M. Peter
Executive Director
