

Dear Parents and Students:

We are excited to bring the “Math Kangaroo Competition” to Bowling Green Middle School! Math Kangaroo is a national nonprofit organization with a mission of helping students love math. For 26 years, Math Kangaroo has organized an annual International mathematics competition for students in grades 1-12. The competition consists of a singular round that is taken on the same date by thousands of students at registered locations.

The competition will take place on Thursday, March 20, 2025 starting at 3:45pm. The competition is open to students from grades 1-12.

If you are new to Math Kangaroo please read [Math Kangaroo History](#).

### **Information about the Competition**

- 75 minute multiple choice test.
- 24 questions (grades 1 - 4)
- 30 questions (grades 5 - 12)
- Most questions are word problems; they are chosen by The International Math Kangaroo Committee annually.
- Any student qualifies, who can read and work independently at one's school grade level.
- Each registered student has free access to online video solutions for questions from previous years.
- Each participant receives a t-shirt, an electronic certificate, and a gift.
- Top awards include medals, in-kind prizes, and college grants.
