

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provide strategies to help connect learning at school and at home.

Effective Compacts:

Link to academic achievement goals

Focus on student learning

Share strategies that staff, parents, and students can use

Explain how teachers and parents will communicate about student progress

Describe opportunities for parents to get involved in the classroom

Building Partnerships

Rolling Meadows Elementary is committed to providing families with resources and opportunities for learning in order to assist parents in working with their child. We will provide parents information regarding STAAR testing dates in addition to information about how to support their children so they excel on state assessments. We have computers and printers with internet access available for parent use in our library. The RME Library is open every school day, from 7:30 a.m. to 2:45 p.m. A variety of parent involvement opportunities and family learning nights are offered throughout the year, providing information on topics such as helping your child in math and reading, understanding tests and assessments, grade level learning expectations, helping with homework, and more. We are excited this year to be working with Communities in Schools-an organization that helps students stay in school and perform well.

Communication About Student Learning

Rolling Meadows Elementary is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

Weekly Emailed Grade Level Newsletter

Weekly Sunday calls from Principal La Rue

Monthly Wolfie News: A Newsletter for Parents

Messages via Remind App – Please join!

Regularly updated Rolling Meadows Webpage

and Facebook

Daily Take Home Folder

If you have questions about your child's progress, please contact your child's teacher by phone (210-945-5700) or by email. E-mail addresses can be located are on the school website.

Focus Areas

- Reading Fluency Writing Across the Content Areas
- Math Calculation using Fluency Strategies
- Math Problem Solving using Read Draw Write Strategy

Teachers, Parents, Students – Together for Success

1st Grade Teachers will...

1st Grade teachers will work with students and their families to support student success in all content areas. Some of our key connections with families will be:

Provide targeted small group instruction to support student learning

Accept no limits on the learning potential of all students

Hold students, parents, and staff to the highest standards of performance

Model and provide explicit instruction in math and reading strategies

Push all students to meet one year or more of growth in achievement

When teachers, students and families work together, we CAN achieve our goals!

AT HOME-

Rolling Meadows Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

- **Make sure your child arrives to school on time every day by 7:30 AM**
- **Practice reading nightly with your child and provide opportunities for them to hear you read fluently**
- **Encourage independence and problem solving skills at school and home**
- **Encourage completion of school work independently at school**
- **Update teacher with changes in our contact information (phone number, email, pick-up etc.)**
- **Monitor attendance and grades using Skyward Parent Access**

Students will ...

- **Participate in the classroom and complete all assigned work in a reasonable amount of time.**
- **Accept responsibility for their actions, following all classroom rules.**
- **Respect all teachers, classmates, and school property.**
- **Practice Reading Fluently with my parent/guardian each night**
