

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provide strategies to help connect learning at school and at home.

Effective Compacts:

Link to academic achievement goals

Focus on student learning

Share strategies that staff, parents, and students can use

Explain how teachers and parents will communicate about student progress

Describe opportunities for parents to get involved in the classroom

Building Partnerships

Rolling Meadows Elementary is committed to providing families with resources and opportunities for learning in order to assist parents in working with their child. We will provide parents information regarding STAAR testing dates in addition to information about how to support their children so they excel on state assessments. We have computers and printers with internet access available for parent use in our library. The RME Library is open every school day, from 7:30 a.m. to 2:45 p.m. A variety of parent involvement opportunities and family learning nights are offered throughout the year, providing information on topics such as helping your child in math and reading, understanding tests and assessments, grade level learning expectations, helping with homework, and more. We are excited this year to be working with Communities in Schools-an organization that helps students stay in school and perform well.

Communication About Student Learning

Rolling Meadows Elementary is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

Weekly Emailed Grade Level Newsletter

Weekly Sunday calls from Principal La Rue

Monthly Wolfie News: A Newsletter for Parents

Messages via Remind App – Please join!

Regularly updated Rolling Meadows Webpage

and Facebook

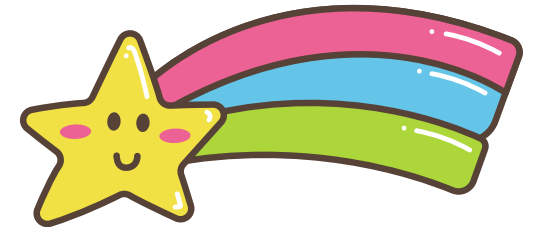

Daily Take Home Folder

If you have questions about your child's progress, please contact your child's teacher by phone (210-945-5700) or by email. E-mail addresses can be located are on the school website.

Focus Areas

- Reading Fluency Writing Across the Content Areas
- Math Calculation using Fluency Strategies
- Math Problem Solving using the Read Draw Write Strategy

Teachers, Parents, Students – Together for Success

Pre-K 3 Teachers will...

teachers will work with students and their families to support student success in all content areas. Some of our key connections with families will be:

Will set high expectations for all students and provide academic, oral language and executive functioning instruction to support and help each child grow to his/her fullest potential

Will teach academic skills in the classroom based upon the Creative Curriculum.

Will provide resources and tips to families in the newsletter that support high quality curriculum and instruction, such as resources

Will establish multiple lines of communication with families that support student academic success.

Provide Parents with the Campus Monthly Newsletter that contains links to resources and access to CLI Engage Parent Portal

AT HOME-

Rolling Meadows Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

- Make sure your child attends school each day
- Update teacher with changes in our contact information (phone number, email, pick-up etc.)
- Identify basic shapes, colors, and numbers 0-10
- Will attend parent workshops and academic nights to learn tips and strategies to use at home (or access resources online)
- Will practice letter/sound recognition using a variety of print to include signs, books, and labels.
- Will role play activities involving sharing, keeping hands to ourselves, using manners (please, thank you, yes ma'am, no ma'am), using an inside voice when appropriate.

Students will ...

- Keep my hands to myself
- Share with my friends
- Listen to my teachers
- Talk to my parent/ guardian about what I am learning at school
- Listen to an adult read fluently each night
- Identify the letters in my name
