

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provide strategies to help connect learning at school and at home.

Effective Compacts:

Link to academic achievement goals

Focus on student learning

Share strategies that staff, parents, and students can use

Explain how teachers and parents will communicate about student progress

Describe opportunities for parents to get involved in the classroom

Jointly Developed

- Reviewed annually by parents and staff
- Feedback desired from Parents at any time. Feedback Sessions Held Throughout the School Year
- Presented by staff in parent conferences

Parents are encouraged to provide feedback at any time during the school year.

Building Partnerships

Rolling Meadows Elementary is committed to providing families with resources and opportunities for learning in order to assist parents in working with their child. We will provide parents information regarding STAAR testing dates in addition to information about how to support their children so they excel on state assessments. We have computers and printers with internet access available for parent use in our library. The RME Library is open every school day, from 7:30 a.m. to 2:45 p.m. A variety of parent involvement opportunities and family learning nights are offered throughout the year, providing information on topics such as helping your child in math and reading, understanding tests and assessments, grade level learning expectations, helping with homework, and more. We are excited this year to be working with Communities in Schools-an organization that helps students stay in school and perform well.

Communication About Student Learning

Rolling Meadows Elementary is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

Weekly Emailed Grade Level Newsletter

Weekly Sunday calls from Principal La Rue

Monthly Wolfie News: A Newsletter for Parents

Messages via Remind App – Please join!

Regularly updated Rolling Meadows Webpage

and Facebook

If you have questions about your child's progress, please contact your child's teacher by phone (210-945-5700) or by email. E-mail addresses can be located are on the school website.

Focus Areas

- Reading Fluency Writing Across the Content Areas
- Math Calculation using Fluency Strategies
- Math Problem Solving using Read Draw Write Strategy

Teachers, Parents, Students – Together for Success

3rd Teachers will...

Third Grade teachers will work with students and their families to support student success in all content areas. Some of our key connections with families will be:

Will believe that each student can learn.

Will help each child grow to their fullest potential in a positive learning environment.

Will model academic instruction and provide parents with strategies to support their child at home.

Will provide a weekly newsletter that informs families about what students are learning in the classroom and important events happening on campus.

When teachers, students and families work together, we CAN achieve our goals!

AT HOME-

Rolling Meadows Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

- Read with my child and model reading for my child
- Make sure your student arrives to school on time every day by 7:30 AM
- Develop a routine for completing homework for at least 15 minutes each night
- Update teacher with changes in our contact information (phone number, email, pick-up etc.)
- Monitor attendance and grades using Skyward Parent Access
- Practice math facts at home

Students will ...

- Participate in the classroom and complete all assigned work in a reasonable amount of time.
- Accept responsibility for their actions, following all classroom rules.
- Respect all teachers, classmates, and school property.
- Develop basic multiplication and division facts at home to achieve mastery.
- Complete Daily Homework Practice for 15-20 minutes daily
- Ask my teacher for help and attend tutoring when it is provided.
- Participate in daily social emotional check ins on Class Catalyst.
- Report any known instances that might prevent injury, harm, or damage to a teacher.
