

School Closing Plan • Weather Related E-Learning Days • 2024-2025

In an effort to continue student learning in the event of weather-related school closings, St. Cloud Area Schools will continue using E-Learning Days during the 2024-2025 school year for inclement weather day closings pursuant to Minn. Stat. §120A.414 as follows:

Make-Up Plan:

- The first weather-related closing will be a full school closing day;
- The next five weather-related closings will generally be E-Learning Days as long as there is no interruption of power and/or internet service that would interfere with distance learning. At the discretion of the Superintendent, a full school closing day may be called instead if the timing or circumstances surrounding the weather event compromises the ability to deliver effective instruction as a E-Learning Day;
- Additional weather related school closing days will be determined by the Superintendent and make-up time for students and/or staff will be determined by the Superintendent in consultation with the School Board.

During a Weather Related E-Learning Day, students and licensed staff will have the following expectations:

If additional accommodations are needed, they can be addressed by teaching staff when the student returns to school.

Licensed Staff Expectations

Licensed staff who are unable to teach on a E-Learning Day due to a discretionary day, illness or medical appointment for themselves or a family member, or other absence reason, must request time off in Skyward and post the learning activities for the day on the Learning Management System (LMS) in lieu of posting sub plans. In addition, staff should email the principal and lead secretary so they are aware the employee will not be available for student or parent contact.
