Pony Post-11/1/24

On October 29th, the school board and district office administration participated in Learning Walks which is an educational tour of the school district. School board trustees had conversations with our principals about programming, as well as examined facility projects within the district. The tour covers all the school buildings, along with all the additional facilities such as Blue Pony Stadium. Currently, Havre Public Schools has completed the bells, paging, safety/security systems within all buildings.

In the month of November, we will wrap up fall sports and activities at the high school. Playoff football kicks off against East Helena on Friday night, 7pm, at Blue Pony Stadium. Volleyball will be November 7-9th in Lewistown. The Havre FFA has just come back from its National Convention in Indianapolis. Our band and color guard will leave to perform in Utah this Friday. Speech and Debate has a home meet on November 2nd at HHS. Please contact Mark Irvin at HHS, if you are interested in helping judge at the Speech and Debate event.

Havre Public Schools has been able to acquire another route and activity driver. As you are aware, there is always a need for more bus drivers within our district, as we travel locally and within the state extensively. The addition of another route driver allows us the ability to add one more route of service, which is great in terms of shortening student time on buses for both the morning and afternoon runs. Havre Public Schools currently has a bus driver, paraprofessional, and substitute food service/substitute teacher openings available for application. If you are interested in any of these positions, please contact Beth Jensen in Personnel at the Robins building.

Katie Marcenko is our District IEFA/Title Coordinator and has been working diligently throughout our district putting on events such as Native American Week and bringing in guest speakers to all the buildings. Her focus is to not only provide events for everyone to participate in, but also bring in Native American educational components to the district wide curriculum. Havre Public Schools will host a Powwow in April, with the event taking place at Havre Middle School. Once we have a firm date and time, community publication for the event will occur.

Sincerely,

Brian Gum

Superintendent

Havre Public Schools
