SOME OF OUR FAVORITE RECIPES

Every month, we bring a splash of flavor and a pinch of inspiration right to your kitchen!

Glazed Ham

Ingredients:

- 10 Oz unsweetened pineapple rings
- 10 whole cloves garlic

Bake according to package directions (my 7 lb. smoked ham cooked 15 minutes per pound) Baste ham with remaining glaze every 20-30 minutes during cooking. Thank you Julie Nutter, RDH/Oral Health Director at Chaffee County Public Health, and her team for providing oral health at Moffat. They provided screening, cleaning, fluoride treatment, sealants, and/or silver diamine fluoride (per parents' permission) to 52 students. Based on Medicaid rates, that equates to approximately \$12,700 in services completed. Free toothbrushes and small toothpastes have been provided to our school by Chaffee County Public Health. "Cavities remain the number one chronic disease in children, with potential developmental, economic, and social ramifications" (Oral Health in Colorado by the numbers). A special thank you to all the parents who allowed their child(ren) to participate this year!
