Exhibit - Volunteer Agreement Executed by a Non-Exempt Employee

I would like to serve as a volunteer for the Special Education District of Lake County (SEDOL). I understand that:

1. I may **not** volunteer to perform a job that is the same or similar job for which I am employed.
2. My time and service as a volunteer are given without promise, expectation, or receipt of any form of compensation.
3. My volunteer services are not being performed in the course and scope of my regular employment and are not in any way required by SEDOL.
4. Either the District or I may terminate my volunteer services at any time for any reason. My withdrawal will not affect my continued employment with SEDOL.

This agreement will continue in force until terminated by either the employee or SEDOL.
