What Is the Policy for Comments on Posts or Photos?

Page administrators reserve the right to remove any comments (especially those deemed inappropriate or malicious) at any time, for any reason. The intent of this policy is not to censor negative or critical information but to protect the rights and privacy of Pearland ISD students and staff.

What Comments Will Be Removed?

We will not leave comments that. . .

- Break the law or encourage others to do so. This includes respecting copyright and fair use laws.
- Contain abusive or inappropriate language or statements.
- Identify students and/or staff in defamatory, abusive or generally negative terms.
- Do not show proper consideration for others' privacy or may offend or provoke others.
- Are spam (i.e. repeatedly posting the same comment or comments that advertise/promote a service or product).
- Are unrelated to the post.

If a person continuously posts such comments, we reserve the right to remove them as a fan of our page.

If you would like to report an inappropriate comment, please send a message via Facebook Messenger.
