ISLAND OF MISFIT TOYS

Students in 5th - 12th grades competed in the library's Island of Misfit Toys Challenge. For this challenge, students had to create a new toy by taking apart old toys. The students had 2 weeks to complete their toy, and all the work had to be completed in the library. Their imagination and creativity were impressive. The top 3 Misfit Toys were The Bear Express by Brendon Ghani, Dinosaur Ride by Eve Niesyty, and Horsebear by Maggie Parish. Congratulations to our winners!

COMMUNITY LIBRARY

West Valley Central School's Library will be open to the community on February 12th and 26th 6:00 PM – 7:30 PM. Community members can check out library materials, use the computers, and explore the library's makerspace materials. Stop by and check out what the library has to offer.

SUPERINTENDENT'S CORNER

Near the end of January, the snow finally arrived. My hope is now that the temperature will drop to the high 20s and stay there through February or early March. If the groundhog is right, we will have six more weeks of winter. If he is like any other weatherman, he could easily be wrong. We will keep working here at school either way.

With one semester behind us, we are at crunch time. We have the next ten weeks to get into a working rhythm and gain the skills and knowledge to be ready for our finals in June. One way you can help is to provide a time and place for homework and study. Another, and maybe more important way is to limit screen time. Also encourage your children to get outside and play in the cold weather. It is all too easy to sit and watch Netflix all afternoon, but a healthy mind requires a healthy body and we all need our exercise.

As the father of four children already out of the house or in college, enjoy this time with your children, it will be gone before you know it.

Stay Warm!

PRINCIPAL'S CORNER

Congratulations to all our students' successes during the 1st semester of the school year. In order for students to meet their goals for the year the same work ethic, attitude and pride that allowed for their successes in the 1st semester will need to continue throughout the end of the school year. Our 4th-6th grade High Honor, Honor, and Merit Roll breakfast will be held on Thursday, February 13th. As a reminder there will be no school from February 17-21 as we will have our mid-Winter Break.

The beginning of the third quarter marks the time of year when we begin our student planning for next school year. Throughout the month of February, students will begin to meet with Mr. Labrake to determine course requests for the 2020-2021 school year. During these meetings students discuss their academic, post-secondary, and career plans. Students will also have an opportunity to share what courses or learning they would like to see at West Valley that is not already in our curriculum. Additionally, our 10th and 11th grade students will be taking the JCC Accuplacer tests to determine their eligibility to take JCC College courses offered at WVCS.

There are a number of co-curricular and extra-curricular opportunities that will be provided for students during the month of February. On February 4th, the 5th and 6th grade students will attend a seminar at Fredonia State College, "How to Survive Middle School". On February 25th, our students in Syracuse University Biology will be attending a Genetics Conference at Sweet Home High School. Then on February 26th, our 5th grade students will host an assembly to kick off their "Pennies for Patients" drive to support the Leukemia and Lymphoma Society. Finally, our 7-12 Winter Ball will be held on Saturday, February 29th.

Turn Markers

Into Energy!

Dear Community,

I'm excited to tell you about a very special program I'm coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle – an amazing program devised to repurpose used markers rather than sending them to landfills!

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013 and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

All around West Valley Central School, students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house- even non-Crayola brands! Highlighters and dry erase markers can also be included. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Remember, don't throw out that used marker—*ColorCycle it!*

Sincerely,

Jacquelyn Mumbach

WINTER SPIRIT WEEK

Before Winter Break, West Valley students got in the spirit of the holidays with a spirit week and holiday related activities. From "Summer in December" to a "Long Winter's Night Nap" students dressed up for the theme of the day. Each day the best dressed boy and girl won gift cards to warm up at Tim Hortons or Dunkin. Candy grams were sold in lunches; students could decide who was naughty or nice and surprise friends and family with lumps of coal or candy canes. We had a gingerbread competition thanks to supplies that were generously donated by the WVCS PTO. Students in grades 7-12 had a great time "constructing" their houses and indulging in a sweet treat! Eve Niesyty was the winner!

Winner of the Gingerbread House Competition was Eve Niesyty!

Clockwise from Upper Left Ronni DuFrane, Nick Peters, Emily Quinn, Janay Ghani, and Nadia Tucker, show off their Gingerbread House designs.

ART CORNER

Hard to believe that the 2nd quarter of school is over. The elementary students have been focused on a winter theme. Students have learned about Snowflake Bentley. He was the first photographer to capture a snowflake using a camera. Some of the students painted with watercolor then used salt to create an Icy background. Other students created snowflakes using Q-tips, ribbon and fake snow.

Just a friendly reminder that students in K-6 are currently creating the artwork for Square 1 Art. Be on the lookout next month for order forms coming home with your child.

CELEBRITY ARTIST

Gavin Kadel is the Celebrity Artist of this month. Gavin is currently in Kindergarten. His passion in art class is to create with watercolor or draw with a pencil. His favorite color is orange and his favorite foods are pizza and wings. Gavin has an older sister and a younger brother. Gavin wants to be a train conductor when he grows up.

WEST VALLEY ATHLETICS

Janay Ghani is January's West Valley student-athlete of the month. Janay is a 9th grade student representing West Valley, running for the Springville/West Valley Indoor Track and Field team. Janay had the opportunity to represent West Valley at the Spire Institute in Geneva, Ohio. This Olympic grade facility hosted the Spire Scholastic meet January 10th-12th.

At this event Janay set a West Valley and Springville school record. Janay ran the 200-meter race in 27.50 seconds. This time beat a West Valley 200-meter record that had been set by Deb Ford, 37 years ago. We look forward to Janay breaking more school records. Congratulations on being West Valley's student-athlete of the month.
