March 2019

*Superintendent's Corner*  
*March 2019*  
*Mr. Eric Lawton*

Of all of the things that sweet March brings, the best of all is the start of spring  
If of rhymes you have no use, you're not a fan of Dr. Seuss,  
In March we celebrate his birth by reading books in school with mirth  
Although we are ready for it to go, we still have some pesky snow.  
But we also see some hints of green, more than shamrocks some grass is seen.  
They start to mow the putting green, and basketball the sweet sixteen.  
My apologies to Dr. Seuss.

Spring is such a great time of year, when everything is new. We reap the rewards of surviving the winter. In a school, we also begin to see our students in a new light. Some are taller, all are more mature. They are transforming from little children into young adults. Our constant reminders of appropriate behavior, focus on studies, and doing our best are beginning to pay off. Don't get me wrong, they are not perfect and will still make an occasional poor choice, but as long as they learn from it and don't make the same mistake twice, we've done our job.

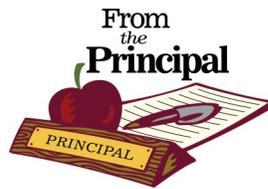

March is also the beginning of budget season and we are putting together a budget that meets the needs of our students and is fiscally responsible to our taxpayers. Please come down to our board meetings and later to our budget hearing as we explain every line of the budget. Thanks to the efforts of Senator Cathy Young, we were able to get double the PILOT payment last year from the State for the Demonstration Project. Unfortunately that was not put into the governor's budget again this year so it was a one-time payment. We will use this money to keep our budget in check for the future.

**TOPS in Education**

At TOPS Friendly Markets, we are committed to helping the communities we serve. Schools are a big part of those communities. That's why we are excited to bring you TOPS in Education, a program that makes it easier to get additional money for school improvements and programs. TOPS contributes up to 5% of your purchase to the school(s) you have chosen. The more you shop, the higher percentage we donate!

**Here's how it works:** Whether you are new to this program or currently participating, *you need to register your bonus card every new school year* at [TopsMarkets.com/Education](http://TopsMarkets.com/Education) and follow the prompts.

***Principal's Corner  
March 2019  
Mr. Daniel Amodeo***

As student return from their February break we are entering a critical point in the school year for their learning. With the exception of our March 22<sup>nd</sup> Superintendent's Conference Day and any snow days we will have 7 weeks of uninterrupted school days. This is the longest stretch in the school year without a break and an opportunity for students to have tremendous growth. During this time of the year we students in grades 3-8 will be preparing for the 3-8 assessments. The 3-8 Assessments for ELA will be administered on Tuesday, April 2<sup>nd</sup> and Wednesday, April 3<sup>rd</sup> with make-up days to follow. The state assessments will continue with the changes over the last few years including: unlimited time to complete, a reduction of questions, and a reduction of days from three to two. West Valley students will continue to take paper-based assessments but will be continuing to prepare for the requirement of implementing computer-based assessments.

We have seen growth in our 3-8 assessments over the last three years. Specifically in the Elementary we have gone from ranking 159 in 2016 to ranking 114 in 2018, moving ahead of 45 different schools. I believe that with all of our students participating and giving their best effort we will be able to show how our students are performing with respect to 3-8 assessments and continue our improvement. Regardless of state assessments, we continue to provide a well-rounded education that allows students to receive instruction and opportunities that contribute to a positive learning experience at West Valley that prepares them for success after graduation.

We are excited about the many opportunities throughout the month of March for our students. On March 1<sup>st</sup> 8<sup>th</sup> grade students will be participating in an afterschool team building activity at Holiday Valley Tubing Park. Our SADD club will be hosting a movie night on March 15<sup>th</sup>, Pre-K students will attend a performance at Shea's on March 19<sup>th</sup>, and students in grades 9-12 will attend Science Exploration Day at the University of Buffalo on March 20<sup>th</sup>. Additionally some of our Chorus and Band students will participate in their respective Junior/Senior High Festivals on March 15<sup>th</sup>/16<sup>th</sup> and March 22<sup>nd</sup>/23<sup>rd</sup> respectively. There are many other opportunities and learning experiences that will be happening for our students during the school day at West Valley. All of these experiences together help us to provide a broad education to our students that engages them and allows them opportunities to explore their interests for determining their future goals.

**Emergency School Closings**

West Valley Central School District uses the Blackboard Connect system to send an automated message regarding school closings and cancellations of activities. The message will be sent to your household phone number and to the emergency contacts that you listed at the beginning of this school year. If this information has changed or you would like to verify what is on file, please call Dana Westfall at 942-3100 extension 4111. The District also contacts the following radio and television stations:

- |                 |           |    |            |    |

## **West Valley Food Pantry**

The pantry is located at the Ashford Town Barns on Fox Valley Road. It services the families of the Town of Ashford and the West Valley School District. If West Valley Central School closes due to inclement weather, the food pantry will close.

It is open the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of each month from 1-4pm. For emergency needs, call Kris Aldrow at 942-6690 or Corky Miller at 716-257-3651.

Donations are always welcome. We are always in need of the following items; juice, cereal, macaroni, toilet paper and paper towels.

**Thank you!**

### **Free Community Clothes Closet**

St. John the Baptist Church has a *Free Community Clothes Closet* located behind the church in Bingham Hall from 1-4pm every Wednesday or by appointment.

Clothing, shoes, bedding, household items and books are available for Cattaraugus County residents.

Donations of gently worn, clean seasonal items are always welcome.

If you have any questions or would like to make an appointment please call Jacque Conrad at 942-3836.

**Thank you very much for the continued support.**

## You've been Hogged! FUN-raiser

### is Back!!

The Clever Clovers 4H Club has herds of Hogs that want to root on your yard!!!

The club members are now taking orders so you can send the cute colorful pigs to a friend's yard; where they will root on their lawn for 1 or 2 days. Then mysteriously disappear, moving on to their next "victim."

Starting April 1, 2019 running through June you can order this "Hogging" done in good fun to send these Pigs On Parade around the area.

A donation of only \$10.00 for 1 day or \$15.00 for 2 days

Don't forget!!!

### HOG INSURANCE

Just \$10 to guarantee the hogs not to come to your lawn during this fundraiser!

(Mr. Lawton and Mr. Amodeo this may be a wise investment!)

For Questions and to order, contact:

- Any 4H member

## **PENN-YORK COLLEGE NIGHT 2019**

Interested in finding the college that best meets your needs? Then all sophomores and juniors and their families should plan on attending the Penn-York College Night at Saint Bonaventure University in the **Richter Center** on Tuesday, March 19, 2019 from 6:00 PM - 8:00 PM. This is an opportunity to speak with admissions representatives from over 100 colleges, and attend financial aid presentations. There will be representation from four-year colleges and universities, community colleges, business schools, technical schools, and military academies. Information will be available in the Guidance Office soon. There is **NO** cost for this event. Transportation for the students will be provided with chaperones.

### **Transportation Requests**

The deadline for transportation requests to a non-public school for your student(s) outside of the West Valley Central School District is April 1, 2019. Parents are reminded that written transportation requests for non-public schools must be received by April 1, 2019 to be eligible for the 2019-2020 school year.

Send requests to:  
Ann O'Brien, Business Official  
West Valley Central School  
5359 School Street  
West Valley, New York 14171

### **School District Tax Code Number**

The New York State resident income tax returns (IT-200 and IT-201) require you to enter the name and code number of the public school district where you were a resident as of December 31 for the tax year 2018. The school district name and code for entry on state income tax forms are: **West Valley Central School District** code is **690**. It is important to put this number on your tax return because it helps determine the amount of State Aid we receive for the school district.

On Wednesday, February 13<sup>th</sup> students and their families were treated to a French Toast and Sausage breakfast in recognition of their efforts during the 2<sup>nd</sup> Quarter. Students received recognition for achieving honors, second honors, and merit roll averages. We look forward to see these and other students at our 3<sup>rd</sup> Quarter breakfast.

On January 17<sup>th</sup> the WNY Cystic Fibrosis Foundation accepted a check of \$665.00. The 8<sup>th</sup> grade class sponsored the Cystic Fibrosis Foundation as their charity during our Student Council “Coin Wars” charity event. The 8<sup>th</sup> grade class won the competition and all of the money raised was donated to their charity. The WNY CFF also provided a brief presentation on what Cystic Fibrosis is and its impacts on people, families, and community.

### **Personal Finance Stock Winners by Steve Kenworthy**

In Mr. Kenworthy's SUPA Personal Finance class, each student was given \$50,000 in play money to invest in stocks starting on November 20, 2018. Every student was to pick 5 to 10 stocks with one guideline: Buy low, sell high! Although grades were based on record-keeping and not the amount of money each student lost or made, there was a competitive nature to the project. Students were required to tally their stocks each week. The final tally was conducted on January 15, and the two winners were Delaney Neuman and Becca Smith, with money totals of \$50,554 and \$50,352 respectively. Over this time period, there was a major correction in the market which caused most students to lose money. It's amazing that both young investors were able to come out ahead given market conditions!

### **PTO Elementary Fun Night**

The students in Pre-K – 5<sup>th</sup> grade had a great time at the Elementary Fun Night sponsored by the PTO. Students had the opportunity to participate in activities throughout the school. Students made awesome crafts using hearts. The gym was open for students to have some free time. There were games in the auditorium for everyone to enjoy. The library had Valentine's Day STEM Challenges for everyone to try. Fun was had by all!

### **A Visit From Katy the Snow Plow**

The Pre-K and Kindergarten classes read the story Katy and The Big Snow by Virginia Burton. The students enjoyed the story about Katy helping all the people in town dig out from the big snowstorm. The students were then able to meet the Town of Ashford's own "Katy." Mr. Butcher and Mr. Patti brought "Katy" to the school and showed the students how a plow works. The students even had the opportunity to sit in "Katy!" Thank you to Mr. Butcher and Mr. Patti for making this such a fun and educational experience for our students.

## West Valley heARTbeat

Our Kindergarten and 1st grade students are creating mini winter sculptures of penguins and polar bears. Our elementary students are in full swing celebrating Valentine's Day with fancy hearts that were created with watercolor and paint dabbers. Grades K-6 have just created their Square 1 Art. Parents and family members should be on the lookout in the next few weeks if they are interested in purchasing their child's art work. The Art Department appreciates your support for our annual fundraiser.

Sculpture has been working on their life size packing tape sculptures of the human form. Studio in art is working on texture projects. 7th grade is working on ceramic tic-tac toe boards. 8th grade drawing and painting students participated in a project called "postcards for peace." Each student was given a pen pal from France to exchange postcards with. A drawing about peace was the theme for the postcards. The students were very enthusiastic about the project and many have exchanged Snapchat information. Some have been keeping in touch with their new friends since they've received their postcards!"

A big congratulations to Nathan Dash! His artwork has been chosen to displayed at Daemen's High School Art Exhibit and he will be receiving a scholarship for his piece! The opening was Sunday, the 10th, with awards at 1:30 at Daemen's Visual Performing Arts building.

## Artist of the Month

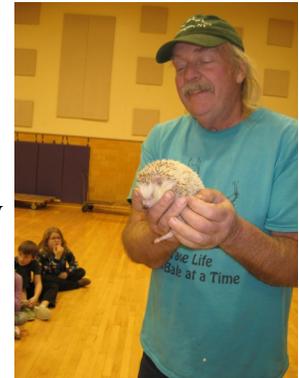

Our Celebrity Artist of the month is a 3<sup>rd</sup> grader Malachi Hickey. Malachi wants to be a dentist when he grows up. He loves spaghetti and his favorite movie is Incredibles 2. One of Malachi's hobbies was Boys on the Right Track. He loves to work with his hands and builds shoe racks from wood. Art teacher Mrs. Lechner says, "Malachi is very energetic and always has a smile on his face ready to create when he comes to my class room. Congratulations, Malachi!"

## ANIMAL PROGRAMS

Once again Mr. Morton, from Sun Dance Kids Farm, came with a really cool animal to teach us about! In January, he brought Helga and Herbert, the hedgehog. He taught us all about where hedgehogs live, what they eat, and how they protect themselves. He even let us touch Herbert! Did you know that hedgehogs can climb trees? They can, but they cannot climb down! When they're done in the tree and want to get down, they curl into a ball and drop to the ground. Their quills cushion them so they don't get hurt when they hit the ground. That's only one of the many cool facts we learned about hedgehogs this month.

Thank you to Mr. Morton for sharing his animals with us!

## Reading is Fun!

This past month, our Pre-K class read "The Fed Up Cow" by Peta Lemon and Maria Dasic Todoric. It was about a cow that didn't want to be a cow anymore. She tried being a sheep, a pig and a chicken, but in the end she realized that being a cow was the best thing for her to be. Pre-K decided to try being a cow to see what that was like.
