Superintendent's Corner
May 2019
Mr. Eric Lawton

In the Board of education meetings we have heard complaints about the high tax levy in West Valley. We have been working on maintaining or reducing the tax levy for the past 7 years. In the 2013-14 school year the tax on true value rate was \$23.83 per thousand. If our budget passes as proposed, the tax rate next year will be \$18.87 per thousand. This is a decrease of almost \$5.00 per thousand. Our goal is to set a rate that we can maintain. We do not want to lower the rate too much and then have to raise it next year.

Community Day is a major event in the beginning of May. On May 10th our students and staff will be participating in a community beautification program. We will be working around the school and community. We will be picking up debris and garbage around the highways and throughout the town. We will be cleaning, painting, and helping our neighbors with their projects. This has been a valuable experience for students and staff to be working side by side for the betterment of our community.

On May 13th we will be presenting the 2019-20 West Valley School Budget at the annual budget hearing in the auditorium at 7:00 PM. On May 21st we will hold the vote on the Budget, school bus purchases and election of one Board of Education Member. The election will be open for voters from noon until 9:00 PM. in our gymnasium. We will have official registrars located at the WVCS athletic entrance as we found this to have easier access for our community members. Please take the opportunity to have your voice heard and vote.

Principal's Corner
May 2019
Mr. Daniel Amodeo

On April 16th our Board of Education adopted a budget for the 2019-2020 school year. As the school budget directly supports the academic program at West Valley, I would like to take this opportunity to share highlights of our academic program for the 2019-2020 school year.

- Maintain current college courses: SUPA Biology (8 credits), SUPA Chemistry (8 credits), SUPA Economics (3 credits), SUPA Cybersecurity (3 credits), Houghton English (6 credits), Psychology (3 credits), GCC Physics (4 credits), JCC Elementary Statistics (3 credits), JCC Pre-Calculus (4 credits), JCC Calculus (8 credits), SUPA U.S. History (6 credits).
- The number of college course credits available to students in their Junior and Senior year is equivalent to 56 credits, or almost two years of college credits. This is a great financial benefit to our students and families. *Although NYS has budgeted for free college tuition to SUNY schools there are strings attached that may not allow all students to access this opportunity and our program continues to provide an avenue to make college a more affordable option for all students.*
- NYS Mandated Mental Health Education for students in grades K-12.
- Maintain state required and recommended contact time for Elementary electives including PE every day for grades K-3, twenty weeks of art, twenty weeks of music, library and computer instruction.
- Lego League Robotics and Elementary STEAM club (K-3).
- Girls on The Run and Boys on the Right Track after-school programs.
- Positive Behavior Intervention and Supports (PBIS) a school wide behavior, social skills, and character education program.
- Response to Intervention (RtI) in grades K-6 and an Instructional Support Team for grades 7-12.
- Special Education Programs to include a 12:1:1 (K-2), 12:1:1 (3-5), Elementary Consultant Teacher and Resource Room program, and Secondary Consultant Teacher and Resource Room program.

In addition to the program highlights above, there are many other initiatives, extra-curricular programs and curriculum based opportunities that we will be continuing and looking to improve. On behalf of the students and staff, I would like to thank the West Valley community for its continued support of our program. With your support, we are able to continue to provide West Valley students with a well-rounded education that prepares them to be productive members of society with 21st century skills.

WVCS Middle School Fundraiser

The Classes of 2023 and 2024, want to express their appreciation to the West Valley Community in supporting their “Dinner and a Show” fundraiser on Friday, March 12th. A big thank you to Tim and Bonnie Garrey who donated 10 sheet pizzas to our school! It was our most successful fundraiser yet and proceeds will go to the 2020 trip to Washington DC. We hope for your continued support for our next two fundraisers: PARP Carnival on May 17th and Spring Fling on June 14th.

BLESSING BOX

The idea of a blessing box is sweeping the country. It is a box of food for people in immediate need. It is in addition to the food pantry and not intended to take its place.

Residents of the Town of Ashford have decided to join in. We will have a “box” (cabinet) housed at the Methodist Church. The Church has graciously agreed for us to use that space. We are very grateful, as many boxes are outside! You can use the side entrance,

We, of course, will be looking for donations. They can be dropped off at the church. Any questions call Kris Aldrow @ 942-6690 or Jean Bond @ 942-6570.

Take what you need,
Bring what you can,
and above all, be blessed.

West Valley Food Pantry

The pantry is located at the Ashford Town Barns on Fox Valley Road. It services the families of the Town of Ashford and the West Valley School District. If West Valley Central School closes due to inclement weather, the food pantry will close.

It is open the 2nd and 4th Wednesday of each month from 1-4pm. For emergency needs, call Kris Aldrow at 942-6690 or Corky Miller at 716-257-3651.

Donations are always welcome. We are always in need of the following items; juice, cereal, macaroni, toilet paper and paper towels.

Thank you!

Skype With Jane Goodall

On April 9th, our 2nd -6th grade students had the opportunity through Microsoft's Skype in the Classroom initiative to Skype with Dr. Jane Goodall. Before the event students learned a chimpanzee, pant hoot greeting. Students learned about Dr. Goodall's work with chimpanzees in Africa. The students learned that chimpanzees make and use tools to help them with tasks such as obtaining food. Dr. Goodall also discussed ways students could make an impact on their community through her Roots to Shoots organization. There was a live question and answer portion during the event. Students from all over the world had the opportunity to ask Dr. Goodall and her team questions. Our students enjoyed this awesome opportunity.

West Valley heARTbeat

Hard to believe we are in the 4th marking period. It has been a very busy time in the art department. A big thank you to Mrs. Muzzoto for all the work she did creating prop's for "Shrek, the Musical Jr." It was truly was amazing!

This month many exciting things were happening to our own Nate Dash. His artwork was featured in several area show including Saint Bonaventure University, Buffalo State and University of Buffalo. Nate will be graduating in June and plans on furthering his art by attending Buff State for art education. Congrat's Nate!

Mrs. Muzzoto sculpture class took a trip to the Albright Knox art museum last month. The sculpture class created taxidermy heads. They are on display in the front foyer. Sculpture class also had the opportunity to carve white candles into their own creations. They truly look amazing.

The middle schooler's Kyree and Bethany (7th grade) are working on graffiti. Stay tuned we only have a few more months to keep creating!

Artist of the Month

Featured artist of the month is 5th grade Payton Ehnes. Payton's favorite thing to create in art is painting owls. If she isn't painting she enjoys reading books. One of her favorite books is "Wrinkle in Time." Payton favorite things are mac/cheese and the color blue. She has a brother two years older. She told me when she gets older she would like to be a photographer. Photographing animals are her favorite subject matter.

The Ashford Historical Museum will be open the last Sunday of each month from June through September from 2:00-4:00 PM. Ashford Historical Society Meetings and programs are the third Wednesday of each month at 7 PM. We are looking for new members so please come and join us!!! All meetings except for the October meeting (Harvest Auction at St. Paul's United Methodist Church) are at the Historical Building on School Street unless otherwise announced. Various speakers make our meetings interesting. Look for our meeting notice on the Cattaraugus County Neighbor website. For more information call Diane Pfeffer at 942-3885.

10 New Members Inducted into the National Junior Honor Society

On March 4, ten new members were inducted into the National Junior Honor Society West Valley chapter. Family and friends joined the new members as they were inducted based on high academic achievement, strong leadership, excellent service, citizenship, and character. These five pillars are the basis for the selection into the National Junior Honor Society. The following new members exemplify strong

examples of these pillars. Congratulations to Nate Niesyty, Lucas Proseus, Christopher Amodeo, Benjamin Fisher, Kasper Heitman, Nolan Spencer, Zachary Westfall, Ronni DuFrane, Kyree Meppen, and Bethany Stainer.

Academic Challenge Team Completes A Strong Season

The Academic Challenge team completed a strong season by finishing in fourth place out of 25 teams at the Scholastic Challenge event in Portville. The team finished the morning with a 3-0 record before losing its first match after lunch. After a comeback win against Genesee Valley, West Valley eventually succumb to the eventual winners of Scio. Congratulations to Nathan Dash, Morgan Drake, Chloe Chai, and Ryan DeKay.

In addition to Scholastic Challenge the Academic Challenge team also competed in High School bowl at Jamestown Community College. This event consisted of 23 schools from around the southern tier and northern Pennsylvania. The team finished in 4th place in this event as well. Congratulations to Aaron Schenne, Nathan Dash, Morgan Drake and Chloe Chai for a strong season.

Updates from Student Council (Middle School/ High School) Mrs. Mychajluk & Mrs. Mazzuto

Student Council had another busy month full of Spring Events. On Friday, March 29th students from grades 7-10 were winners of a Splat Ball night, due to their fundraising efforts for our Lend a Helping Paw campaign for EARS animal rescue. Students and faculty brought in over 100 items and raised \$350 for the non-profit. The EARS team will come to WVCS for a check presentation and donation of supplies on Tuesday April 16th @ 2pm. They will also bring some of the adoptable animals the students help to support. This fundraiser was spearheaded by sophomore Kaley McCracken.

On Saturday, April 6th students enjoyed a Spring Fling Dance, which over 40 students attended in grades 7-12. Mr. Cole was our DJ and students danced the night away and enjoyed the photo booth and prop station.

On Monday, April 8th Student Council sponsored a Student v. Staff Volleyball game. We had about dozen student participants and 10 faculty members compete. The faculty won their games and look forward to more tournaments!

Student Council students sold chocolate Easter bunny suckers in lunch in the days leading up to Spring Break. For \$1 students bought a sucker to be delivered to their friends, family, teachers and staff in our “Show “Somebunny” How Much You Care” fundraiser.
