HOME LANGUAGE SURVEY

Enrolling school: _____
for the _____ school year.

Name of Student: _____
(Surname / Last Name) (First Name) (Middle Name)

Age of Student: _____ Grade Level: _____

Directions to Parents and Guardians:

The California *Education Code* contains legal requirements which direct schools to assess the English language proficiency of students. The process begins with determining the language(s) spoken in the home of each student. The responses to the home language survey will assist in determining if a student’s proficiency in English should be tested. This information is essential in order for the school to provide appropriate instructional programs and services.

As parents or guardians, your cooperation is requested in complying with these requirements. Please respond to each of the four questions listed below as accurately as possible. For each question, write the name(s) of the language(s) that apply in the space provided. Please do not leave any question unanswered. If an error is made completing this home language survey, you may request correction before your student’s English proficiency is assessed.

NOTE: If your child was enrolled in another California public school, we will contact that school/district to find out the previous language designation results. This Home Language Survey does not override the responses from any prior HLS completed (filled out) in a previous district.

1. Which language(s) did your child first begin to speak?
(in phrases or complete sentences) _____
2. Which language(s) does your child **most frequently** speak at home? _____
3. Which language(s) do you (the parents or guardians) **most frequently** use
when speaking with your child? _____
4. Which language(s) is (are) **most often** spoken between adults in the home?
(parents, guardians, grandparents, or any other adults) _____

Check if your child previously attended a California public school.

Please sign, date, and return this form to your child’s school office. Thank you for your cooperation.

The Burbank Unified School District is committed to providing a safe school environment where all individuals in education are afforded equal access and opportunities. The District's academic and other educational support programs, services and activities shall be free from discrimination, harassment, intimidation, and bullying of any individual based on the person's actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression, the perception of one or more of such characteristics, or association with a person or group with one or more of these actual or perceived characteristics. Specifically, state law prohibits discrimination on the basis of gender in enrollment, counseling, and the availability of physical education, athletic activities, and sports. Transgender students shall be permitted to participate in gender-segregated school programs and activities (e.g., athletic teams, sports competitions, and field trips) and to use facilities consistent with their gender identity. The District assures that lack of English language skills will not be a barrier to admission or participation in District programs. Complaints of unlawful discrimination, harassment, intimidation, or bullying are investigated through the Uniform Complaint Process. Such complaints must be filed no later than six months after knowledge of the alleged discrimination was first obtained. For a complaint form or additional information, contact the director of Human Resources.
