Bulletin No. 25-013

TO: Chief Business Officials and Directors of Fiscal Services
Charter School Sponsoring School Districts & Charters

Subject: **CHARTER SCHOOLS**
2024-25 FIRST INTERIM FINANCIAL REPORT
Due to Sponsoring District on or before December 15th

Education Code Sections 42100 and 47604.33 require charter schools to provide budget, interims, annual financial statements, and audit reports to their sponsoring district and the County Superintendent of Schools Office. Statute requires **charter school's First Interim Financial Report be submitted on or before December 15th**. District review of charter First Interim Reports are requested by Business Advisory Services on or before December 20, 2024. Districts may modify the date charter reports are due to them to allow sufficient time for their review by the deadline. Charters are encouraged to coordinate with their sponsoring district to ensure accurate and timely reporting submission.

Required reporting templates are available on the SBCSS Charter School Financial Information webpage at: <http://www.sbcss.k12.ca.us/index.php/business-services/business-advisory-services/charter-schools-financial>. The Excel workbook consists of worksheets for 2024-25 Budget, First Interim, and Second Interim Financial Reports.

At a minimum, charters must submit the following First Interim information to the sponsoring district. Districts may require additional reports and/or supporting documentation:

Electronic copies - Required

- Charter 2024-25 Budget and Interim Reporting workbook (all tabs completed)
 - Budget and 1st Interim - Check List
 - Budget and 1st Interim - Certification
 - Budget and 1st Interim - ADA
 - Budget and 1st Interim - Assumptions

Hard copies or Scanned

- 1st Interim Certification **Signed**

The worksheets have been designed to populate other worksheets of the workbook wherever possible. Some of the features are:

- Completing charter name and number on certification page will populate all other schedules.
- Budget worksheet information will populate Adopted Budget columns of Interim worksheets.
- Data entry cells are highlighted in a blue/green color (depending on your monitor).
- Cells with formulas are locked.

Be careful to complete all applicable worksheets/fields. The Charter Financial Reporting Template feeds the Authorizer Review Template and **incomplete reports may be an indicator of financial risk.**

As you complete these worksheets, please be conscious of the unrestricted or restricted regulations associated with the revenue the charter has received. Refer to the California School Accounting Manual (CSAM) for in-depth explanations of various codes and accounting treatments.

The first column of the report refers to the charter's adopted budget. Amounts reflected in this column **must** be those adopted on or before July 1st and submitted to your sponsoring district.

If you have a final 2023-24 audit report, include any audit adjustments with your First Interim Report. These adjustments will be reported as "Adjustments for Audit" on line 52 of the Unrestricted and/or Restricted tab.

Authorizing districts will review budgets for reasonableness and solvency. Charters must provide evidence of their ability to maintain sufficient fund and cash balances for the current and two subsequent fiscal years. If the charter is unable to meet their reserve requirements in the 2024-25 or two subsequent fiscal years as established in their memorandum of understanding with their authorizing district, the charter may be required to submit a board-approved fiscal action plan detailing the anticipated reductions or revenue enhancements that the charter will make to ensure reserve requirements are met in all years. The charter should work with their authorizing district to determine the specific requirements to show solvency.

The district review worksheet can be found at <http://www.sbcss.k12.ca.us/index.php/business-services/business-advisory-services/charter-schools-financial>. Upon review of the charter's report, authorizing districts are encouraged to send a letter to the charter summarizing their findings and documenting any requests for additional information or action.

SACS reports alone provide limited information for authorizers to carry out their required oversight responsibilities. The new SACS Web system is available to charters; however, authorizers are highly encouraged to require completion of San Bernardino County's Charter Reporting Template as well. Failure to provide adequate charter oversight is an indicator of financial risk to the district.

Authorizing districts are asked to forward the following, to BAS, on or before December 20, 2024:

Electronic files - e-mail to: BAS@sbcss.net
