

2024-2025 Siembra Leadership High School School, Student and Parent Compact

Prospective or returning students and families,

On behalf of our dedicated staff, I would like to welcome those who are joining us at Siembra Leadership High School for the first time and those who are returning for another school year with us! We are looking forward to a successful year together and welcome your input and suggestions as we move forward.

Siembra Leadership High School is a free and public charter school, and school of choice. Our families have chosen to send their students to Siembra Leadership High School so that their students can take part in building the skills to contribute to the entrepreneurial community within Albuquerque, New Mexico. Siembra offers not only traditional school hours, but also night school (re-engagement) and virtual classes to best serve our demographic. We believe that an environment supportive of the individual needs of the youth we serve allows creativity and imagination to flourish. Siembra offers opportunities for community engagement through hands on experiences, paid internships, and community collaboration.

Academics, Community Engagement, 360 Degree Support

Siembra Leadership High School's main focus is providing students with the skills and community connections that support young entrepreneurs. Our staff and community members strive to build meaningful relationships with our students and within our community. Our students will learn academic principles and life skills necessary to become contributing members within the entrepreneurial community of Albuquerque, New Mexico. Siembra Leadership High School's vision is to unlock human potential by equipping students with the tools and skills they need to innovate through voice and opportunity. Siembra seeks to foster a rich and supportive learning environment that allows students to fall forward while viewing obstacles as opportunities to showcase resilience. Our 360 Degree Support model focuses on meeting the needs of individual students and families so that students can focus on academic endeavors.

Your commitment to us

Our school is focused on building quality relationships with students, families, and the community. We ask that families communicate and collaborate with staff to best serve the individual needs of students. Siembra Leadership High School focuses on restorative practices. Students who experience setbacks are asked to participate in

restorative measures that promote a safe and healthy school environment. Students are asked to commit to building relationships and collaborating with school staff and supports to broaden their educational horizons as young entrepreneurs. Siembra Leadership High School believes in promoting opportunity for all students and asks that all attendees engage as active participants in their own learning as members of a community seeking to inspire hope and change.

Our commitment to you

Siembra Leadership High School is committed to providing opportunities for students to utilize their creativity and imagination to make a difference within their community. Our focus is to provide an environment for all students that inspires hope and change. Siembra Leadership High School is an inclusive school, where our students, families and community, will have a strong voice and be actively involved in shaping students' education. Our graduates will be equipped with the skills, relationships, and community supports necessary to embark on their journey as entrepreneurs.
