Attain the English proficiency level that **empowers your chosen career pathway** through an individual language learning program.

Learning in the classroom

English Language teachers facilitate the students development of linguistic and intercultural competencies and skills, nurturing their confidence, fluency and understanding of the connections between language and culture.

Students build competence for social interactions both through personalized tutoring and immersive life experiences in extra-curricular activities and academy programs.

Classroom teachers in core subjects are prepared to support ELL learners so they can better understand core concepts in their subject matter.

Immersive language environment, whether through social interactions, community engagement, leadership and volunteering opportunities, and day to day living within a Canadian cultural setting.
