WHY CHOOSE THE OKANAGAN VALLEY IN BC

The Okanagan Valley boasts one of the most desirable climates in Canada and is surrounded by apple, peach, apricot and cherry orchards as well as endless hiking and biking trails, miles of lakes and beaches, rock climbing and world class skiing. The four distinct seasons and beautiful surroundings provide an ideal setting for year-round outdoor activities. The Okanagan is also home to Canada's wine region as there are 185 vineyards located throughout.

It is a beautiful Canadian setting that is very friendly and safe, and is one of the most desired locations to visit and live in the entire country.

THE UNISUS CAMPUS

The 17 acre UNISUS campus is steps away from nature's playground where you can explore the natural beauty of Canada through our outdoor experiential programs, while developing critical future-proof skills that are core to our IB programs.

“My parents suggested I go to boarding school to prepare me for the big step of going abroad. Canada was an obvious choice for me. I chose the IB as it is the most powerful way to prepare for university. I also wanted to be close to nature - to go skiing, to be outdoors, is a part of my day to day experience. I don't like big schools; I thought UNISUS was a perfect match for me and it became the best decision for me.”
